## A Message from Councilmember Jenny Spencer

Dear Ward 15 Residents,

In January 2023, House Bill 458 was voted into law and signed by Ohio Governor Mike DeWine. This new law puts Ohio among a handful of states with the strictest voter ID rules in the country. Other new restrictions on voting access include cutting the early voting period, giving voters less time to return their mail-in ballots, and limiting ballot drop boxes to one per county. The bottom line is that voter suppression in Ohio has increased.

I know that many Ward 15 residents choose not to vote, aren't able to make time to vote, or encounter barriers to voting. Some of you have told me that you don't believe your vote matters. I am writing this letter to let you know that your vote matters now more than ever.

This newsletter includes information about what the community needs to know about Ohio's new voting laws. Please join me in helping others to understand the laws, check their voter registration status, and get the word out about the importance of voting.

Sincerely,

*Jenny Spencer*

P.S. What do you think about the "We Are Ward 15" newsletters? Do they provide you with useful information about your community? Take a moment to respond to a survey about the Summer 2023 Edition:

Queridos residentes,

En enero de 2023, se hizo ley en Ohio el House Bill 458. Ahora Ohio tiene unas de las reglas de identificación de votantes más estrictas del país. Otras restricciones nuevas en el acceso a la votación incluyen reducir el período de votación anticipada, dar a los votantes menos tiempo para devolver sus boletas por correo y limitar los buzones de entrega de boletas a uno por condado. La conclusión es que la supresión de votantes en Ohio ha aumentado.

Sé que muchos residentes del Distrito 15 eligen no votar, no pueden encontrar tiempo para votar o encuentran barreras para votar. Algunos de ustedes me han dicho que no creen que su voto importe. Les escribo este mensaje para hacerles saber que su voto importa ahora más que nunca.

Este boletín incluye información sobre lo que la comunidad necesita saber sobre las nuevas leyes electorales de Ohio. Para obtener una copia de esta información en español, comuníquese con mi oficina al 216-664-4235. La Junta Electoral del Condado de Cuyahoga también es una buena fuente de información. Visite su sitio de web en el [boe.cuyahogacounty.gov/es](http://boe.cuyahogacounty.gov/es) o llame al (216) 443-8683.

Sinceramente,

**Jenny Spencer**

## New Voting Laws In Ohio: *Where to get the Help & Information You Need*

### Check Your Voter Registration Status

The State of Ohio engages in the practice of voter roll "purging," which means that thousands of citizens are periodically removed from state voter rolls due to inactivity. The most recent voter roll purge in Ohio occurred in February 2023. **If you have not voted in a while or just to be safe, it's worth taking a few seconds to search the state's list of removed names, even if you consider yourself to be a regular voter.** Go to: [registrationreadiness.ohiosos.gov](https://registrationreadiness.ohiosos.gov)

### How to Register to Vote

If you have moved since you last voted or if your registration has been canceled, you may [register again at any time](https://olvr.ohiosos.gov/). You can register online at <https://olvr.ohiosos.gov/> or by contacting the Cuyahoga County Board of Elections at [www.443vote.us](http://www.443vote.us) or calling them at 216-443-VOTE (8683). You can also visit any public library branch including the Lorain Branch of the Cleveland Public Library at 8216 Lorain Avenue, which will reopen to the public on Saturday, June 17th.

**The final day to register for the August 8, 2023 Special Election is July 10, 2023.**

### New State Photo ID Requirement to Vote

The state of Ohio has always required voters to show identification at the polls, but allowed an exception for voters who couldn't produce one, allowing them to present a bank statement, paystub or other document to prove their identity. The new law gets rid of that exception and only allows someone to vote if they provide a state-issued photo ID. **Residents will no longer be able to use documents like a bank statement, a paycheck, or a government document to cast their ballots.**

### How to get a state-issued photo ID if you do not have one

Visit the Ohio Secretary of State's website for more information about identification requirements. [www.ohiosos.gov/elections/voters/id-requirements/](https://www.ohiosos.gov/elections/voters/id-requirements/)

Starting April 7, 2023, Ohioans who are 17 years and older can receive a state ID card at no cost from the BMV. Follow this link to learn more about obtaining an Ohio ID at no cost: <https://publicsafety.ohio.gov/static/free-ID-palm-card.pdf>

### Voter ID Assistance

Sometimes, the issue is access to underlying documents you need to apply for a state-issued photo ID (like birth certificates or Social Security cards). VoteRiders - a non-partisan, non-profit organization - provides personalized assistance for voters, such as covering the cost of required documents and arranging & paying for transportation to local ID-issuing offices.

Learn about how VoteRiders can help you by visiting [www.voteriders.org/states/ohio/](http://www.voteriders.org/states/ohio/) or by calling or texting their Helpline at 866-ID-2-VOTE.

*Continued on page 2*

# APPLICATIONS OPEN: Ward 15 Racial Equity Fellowships

Understanding racial equity and the legacy of racial oppression is a critically important skill set for citizens in our democracy. For the third year, Councilmember Spencer invites residents to apply for scholarships to two-day, virtual Racial Equity & Inclusion (REI) Workshops. ThirdSpace Action Lab is the Cleveland-based host of these sessions, which are facilitated by the Greensboro, NC-based Racial Equity Institute.

Delaney Jones was one of eight Ward 15 residents to receive a scholarship in 2022. "Understanding how our society has historically been structured around racial lines and how this permeates our societal structures in the present day is critical knowledge that I believe anyone who wishes to be an informed, active community member should be exposed to...it was completely eye opening to learn this information," states Delaney.

For more about ThirdSpace Action Lab, visit: [3rdspaceactionlab.co/2023rei](https://3rdspaceactionlab.co/2023rei). For more about the Racial Equity Institute, visit [racialequityinstitute.com](https://racialequityinstitute.com)

## To apply for a scholarship:

A total of ten Ward 15 scholarships (two per two-day session) are available on the following session dates: July 19-20, August 23-24, September 20-21, October 18-19, and November 15-16, 2023. Residents must be able to commit to the full two days.

Please email Heather Lazar at [council15@clevelandcitycouncil.org](mailto:council15@clevelandcitycouncil.org) for an application today. The deadline to apply is Friday, July 14. and applications will be considered on a first-come, first-served basis. A full group debrief hosted by Councilmember Spencer will take place in late fall, 2023, once all five sessions have concluded.

# Councilmember Spencer Chairs Rail Safety Hearing

On March 21, 2023, Councilmember Spencer chaired a special Rail Safety Hearing on behalf of Cleveland City Council. During the hearing, Council expressed its support for the bipartisan Railway Safety Act of 2023 - a bill introduced by U.S. Senator Sherrod Brown and U.S. Senator J.D. Vance that would increase federal regulation of the freight rail industry - as well as proposed changes to state law. In addition, Council members heard from representatives of Mayor Justin M. Bibb regarding emergency preparedness in the event of a train derailment.

Council and the Mayor's Administration have pledged to work closely together on not only questions of hazardous materials transportation, but also rail infrastructure.

On May 2nd, U.S. Senator Sherrod Brown issued a letter to Norfolk Southern CEO Alan Shaw about the condition of bridges, including the Lake Avenue bridge. See: <https://tinyurl.com/2b4bnm7w>

On June 8th, Council and the Cleveland Department of Law hosted a press conference to share the City's findings regarding the condition of rail bridges. Of 99 bridges, 23 were found to have structural flaws. See: <https://tinyurl.com/43hmruf>

Although much work remains to be done, Councilmember Spencer would like to thank and recognize the Lake Avenue bridge advocates, led by resident Nikki Hudson, for their tireless efforts to draw attention to bridge conditions.

**"Ward 15 is bisected by two active freight rail lines, and a derailment would affect tens of thousands of residents. It was imperative that Council hold a Rail Safety hearing not only about emergency preparedness, but about advocating for new laws that will make Clevelanders safer."**

**-Jenny Spencer**

## Voting laws continued

# I have my State - Issued Photo ID & I'm All Ready to Vote . How Can I Help Others?

Voter turnout in Ward 15 generally lags other communities in our region. For example, our voter turnout in the 2022 General Election was 35.2%, compared with 47.4% countywide. And many of our residents are not registered to vote or have never voted - a process made that much more challenging due to House Bill 458.

If you'd like to speak with your Ward 15 neighbors about the importance of voting and help others register to vote, you may wish to volunteer for a local nonpartisan voter registration organization, such as:

- Northeast Ohio Voter Advocates (NOVA): [nova-ohio.org/volunteer/](https://nova-ohio.org/volunteer/)
- League of Women Voters of Greater Cleveland: [lwwgreatercleveland.org/](https://lwwgreatercleveland.org/)
- Young Latino Network (for Spanish Speakers): [ylncl.org](https://ylncl.org)
- Cleveland VOTES is another organization in the democracy-building space, focusing on equitable civic engagement. To learn more about Cleveland VOTES and what they do, visit [clevotes.com](https://clevotes.com).

In-person voting:  
Before HB 458 After HB 458

ID Type	Allowed Before HB 458	Allowed After HB 458
Ohio Photo ID (driver's license or state ID) *	Yes	Yes
U.S. or Ohio issued Military ID Card with name and photo	Yes	Yes
U.S. Passport	No	Yes
Utility or Cell Phone Bill	Yes	No
Bank Statement	Yes	No
Paycheck	Yes	No
Government Check	Yes	No
Government Document from Social Security or Ohio Jobs and Family Services	Yes	No

\* Expired licenses may not be used to vote. Yes No

# August 8 Special Election

Ohio will hold a special election on August 8th, so mark your calendars now. Check your voter registration status and make your plan to vote today. If you know you'll be away on August 8, vote early or vote absentee. Absentee ballots can be requested now. Visit [443vote.us](https://443vote.us) for information.

## KEY DATES FOR AUGUST 8 ELECTION

- JULY 10: VOTER REGISTRATION DEADLINE
- JULY 11: EARLY VOTING BEGINS
- AUGUST 1: ABSENTEE BALLOT REQUEST DEADLINE
- AUGUST 8: ELECTION DAY

**"I encourage residents to vote 'NO' on August 8th to preserve the right Ohio citizens have had to amend our state constitution for the past 175 years."**

**-Jenny Spencer**

**"We believe this proposed amendment shreds our Constitution, ending majority rule in Ohio and taking away our right to decide what happens here. It undermines the sacred principle of 'one person one vote'. We need to protect our freedom to determine our future in Ohio, not permanently change our constitution to give up our rights. The August special election will also be an expensive and unnecessary undertaking."**

**-Cleveland VOTES**

# Councilmember Spencer Named to Urban Forestry Commission

Councilmember Jenny Spencer has been named Cleveland City Council's representative to the City's Urban Forestry Commission.

The Commission formerly known as the "Tree Commission" was established in the early 1990s and went dormant in the early 2000s. New legislation was introduced in 2021 by Cleveland City Council to amend and revive the Commission in the City's Codified Ordinances.

Now known as the Urban Forestry Commission (UFC), its purpose is to advise the Mayor and City Council on tree canopy policies and regulations. "Ward 15 is deeply committed and engaged around the Cleveland Tree Plan," said Councilmember Spencer. "I'm proud to represent Council as a member of the Commission to advance City policy to protect and increase our tree canopy." Ward 15 resident Divya Sridhar has also been named to the UFC.

The UFC holds quarterly public meetings, with the next upcoming meeting to take place on Tuesday, July 11, 2023 from 4:00-5:30pm. The public can watch virtually via Sustainable Cleveland's Youtube LiveStream or the TV20 Channel. In addition, members of the public may submit public comment by attending the meetings in person.

Councilmember Spencer also continues to convene the Ward 15 Tree Canopy Steering Committee to advance neighborhood canopy goals, in collaboration with Northwest Neighborhoods CDC.

What you need to know about

# Electric Aggregation

Clevelanders with FirstEnergy service will pay more on the energy supply portions of their bills in June and July due to a delay on the part of the administration in selecting an electric aggregator. Cleveland Public Power and FirstEnergy customers enrolled in PIPP will not be impacted by the delay. For more information, the Mayor's Administration is directing residents to its community choice aggregation FAQ page at:

[sustainablecleveland.org/CommunityChoiceAggregation](https://sustainablecleveland.org/CommunityChoiceAggregation)  
Residents can also call 3-1-1.

## Important Resources for Residents

### Utility Assistance

Need help with water and sewer bills? There are a variety of different programs tailored to help either renters or homeowners with their water and sewer bills, as well as other utilities. Understanding the many rules and eligibility requirements can be a daunting task; however, CHN Housing Partners can assist applicants with finding and applying for the right programs. Call CHN at (216) 774-2349 or go to [chnhousingpartners.org/utilityassistance/](https://chnhousingpartners.org/utilityassistance/) to schedule an appointment.

### Medicaid Re-Enrollment

Early in the pandemic, the U.S. Congress passed a law that prevented states from dropping people from their Medicaid rolls. Those protections expired on March 31, 2023, and those with Medicaid must now re-enroll each year. As Ohio resumes its Medicaid eligibility operations, it is important to make sure that your enrollment is in good shape. Go to [benefits.ohio.gov](https://benefits.ohio.gov) or call 800-324-8680 for questions and more information about your eligibility.

For any other need not identified in this section, contact 2-1-1, the United Way's Help Center. Simply dial 2-1-1 or chat for assistance at [www.211oh.org](https://www.211oh.org). Se habla español.

## Navigating New Roundabouts on Franklin Blvd.

Phase 1 of the Franklin Blvd. Rehabilitation project (West 85th Street to West 50th Street) is complete, and Phase 2 construction (West 50th Street to West 25th Street) is now underway. The speed limit on Franklin has also been lowered to 25 mph. But what are those new circles at the intersections?

### New mini-roundabout on Franklin Blvd.

The circles are traffic calming elements called traversable mini-roundabouts. Here is how to navigate around them:

- Slow down as you approach the intersection.
- Look for and yield to any pedestrians before you enter the mini-roundabout.
- At the entrance, yield to any vehicles already in the intersection. If you arrive at the intersection at the same time as another road user, the person on the left has the right-of-way.
- Slowly proceed around the mini-roundabout to the right of the center island until you reach your desired destination.
- Look for and yield to any pedestrians at the crosswalk before you exit the mini-roundabout.

A unique feature of traversable mini-roundabouts is that the center islands are mountable by vehicles such as fire trucks, school buses, or trailers that are too large to make the complete circle. Drivers of large vehicles should slowly navigate over the center island to complete their desired turn when they have the right-of-way. All other road users should yield to the large vehicle until it clears the intersection.

Visit [www.WestFranklinCLE.com](http://www.WestFranklinCLE.com) for more information about the Franklin Blvd. rehabilitation.
