**PEDDLER RULES
AND REGULATIONS**

**(Vending in Zones 1, 2, 3 in
the Central Business District)
Effective March 14, 1994**

Pursuant to Section 675.06 of the Codified Ordinances of the City of Cleveland, the Director of Public Service hereby establishes the following zone boundaries and regulations for permissible vending in the Central Business District. These regulations do not apply to the Temporary Sidewalk Occupancy Permits issued under Chapter 508.

A. PERMIT REQUIRED

1. No Person shall engage in peddling on the sidewalks within the designated zone boundaries without a permit issued in accordance with Section 675.06.
2. All permits shall be kept upon the vending device or person at all times during which the peddler is engaged in peddling.
3. Permits allow you to be in the zone, but in order to sell you must also obtain a Peddlers License (per Section 675.02-675.03) from the Commissioner of Assessments and Licenses.

B. ESTABLISHED ZONES

The times and hours for the specific zones are as follows:

Zone 1 - Event days only. Limited to three (3) hours before the event, during the event and two (2) hours after the event. Peddling permitted only on sidewalks within the zone boundaries. Fee is \$100.00 per year.

Zone 2 - Parade Days only. Limited to three (3) hours before the parade, during the parade and two

(2) hours after the parade. Peddling permitted only on sidewalks within the zone boundaries. Fee is \$20.00 per event. Length of permit is one (1) day.

Zone 3 - Event days only at the Cleveland State University Convocation Center/Gateway. Limited to three (3) hours before the event, during the event and two (2) hours after the event. Peddling permitted only on the sidewalks within the zone boundaries. Fee is \$100.00 per year.

To avoid undue pedestrian and vehicular congestion, only 50 peddler permits will be issued for Zone 3 in a given permit period. This limitation does not apply to the issuance of sidewalk occupancy permits under Chapter 508.

Only 18 peddlers will be permitted to peddle on the parts of East 9th Street included in Zone 3. Those 18 will be selected randomly from the 50 applicants initially selected, or from all applicants if 50 or fewer applications are received.

The Director of Public Service will specify whether the eligibility to peddle on East 9th Street is for only part of the permit period or for an entire permit year. At the discretion of the Director, the permit year may be divided into distinct periods of time, and a selection of persons eligible to peddle on East 9th Street may be made for each such distinct period. No Zone 3 permittee other than those specifically authorized shall peddle on East 9th Street.

C. SUSPENSION OR REVOCATION OF PERMIT

Adherence to the zone boundaries must be maintained as there will be strict enforcement. Failure to operate within the zone boundaries and failure to comply with the terms of this Chapter (675) or with any law, rule or regulation relating to peddlers or encroachments in the right-of-way of the City may result in suspension of permit. Continued violations may result in revocation of permit by the Director of Public Service and revocation of peddlers license by the Commissioner of Assessments and Licenses.

D. PENALTY

1. A peddler who has received a permit to peddle on public property shall obey any lawful order of a police officer to remove himself/herself and his/her vending device entirely from the sidewalk to avoid congestion or obstruction as a result of large crowds attending the respective event(s).

2. Whoever violates any of the provisions of this chapter is guilty of improper peddling, a minor misdemeanor, and shall be fined one hundred dollars (\$100.00). The fine set forth herein is mandatory and shall not be suspended by the court in whole or in part. Each day upon which a violation occurs or continues shall constitute a separate offense and shall be punishable as such hereunder.
3. In addition to any other method of enforcement provided for in this chapter, the provisions of this section (number 2, above) may be enforced by the issuance of a citation in compliance with Rule 4.1 of the Ohio Rules of Criminal Procedure.
4. If the offender persists in improper peddling after reasonable warning or request to desist, improper peddling is a misdemeanor of the first degree. (Ord. No. 137-A-91. Passed 6-17-91, eff. 6-26-91).

E. DISPLAY AND SELLING OF MERCHANDISE

1. No merchandise shall be displayed on fountains, trash receptacles, planters, trees, lamp posts, light poles, street furniture or any other city-owned property.
2. No merchandise shall be displayed or sold at a location which hinders or restricts access to a telephone booth, mailbox, parking meter, fire alarm call box or traffic control box.
3. No peddler's display stand, cart, container or other appurtenance or paraphernalia shall be set up along street plantings or street furniture.

F. RIGHT OF WAY OBSTRUCTION

1. No merchandise shall be displayed or sold to the occupants of vehicles stopped in traffic or displayed or sold from a vehicle stopped in traffic.
2. No merchandise shall be displayed or sold in a manner that blocks, obstructs or restricts the free passage of pedestrians or vehicles in the lawful use of the sidewalks or highways or ingress or egress to the abutting property.
3. No peddler shall sell or display merchandise:
 - a. At any location where the sidewalk is less than ten (10) feet in width;
 - b. Within ten (10) feet of a crosswalk;
 - c. Within twenty (20) feet of another location;
 - d. Within ten (10) feet of any doorway or the prolongation of any doorway width to the curb-line.

G. MAINTENANCE OF VENDING AREA

1. Each peddler shall remove all merchandise, packaging, paper, containers, display stands or tables, or other materials brought to the location at the termination of sales each day. No permanent stands or displays will be permitted.
2. Each peddler during the period of selling shall keep the area they are selling in free from all litter and debris arising from their operation and insure that the area is cleaned on departure from the peddling area.

H. TYPES OF FOOD PERMITTED

Only popcorn, shelled or unshelled nuts and pretzels shall be sold by vendors holding permits under Section 675.06.

I. MODIFICATIONS, DELETIONS OR ADDITIONS

The Director of Public Service may modify, delete, or add to these regulations as deemed appropriate.
