**An emergency resolution objecting to the current planned site for the construction of a new juvenile detention center and urging the Cuyahoga County Commissioners to find sufficient land for the construction of this new facility.**

Whereas, the Cuyahoga County Juvenile Detention Center is overcrowded and is inadequate thus creating a potential threat to the safety of both residents and staff; and

Whereas, the National Juvenile Detention Association criticized the present facility for being one of the most adult-oriented, bleak, depressing, unsafe and psychologically harmful facilities ever reviewed; and

Whereas, a juvenile detention facility should provide rehabilitation for juvenile offenders under conditions that are conducive for such activities, thus enabling juveniles to become productive members of society instead of being continually involved in criminal activity which can result in a young offender progressing through the criminal justice system; and

Whereas, the planned site for the new juvenile detention center is considered to be inadequate because the tract of land that the facility will be built on is too small; and

Whereas, the planned tower design for the juvenile detention center according to experts can result in a potential safety hazard thus placing the juveniles and staff at tremendous risk and danger; and

Whereas, the City and County can find suitable land for major downtown economic development projects such as Gateway, Rock and Roll Hall of Fame Museum, Great Lakes Science Center, Wyndham Hotel, the Federal Courthouse project, and the New Football Stadium, but have failed to put forth that same effort on finding a suitable site to build a new juvenile detention center; now, therefore,

**Section 1.** That this Council does hereby object to the Cuyahoga County Commissioners plan to construct a new juvenile detention center on a tract of land that is inadequate for juvenile offenders.

**Section 3.** That this Council strongly urges the Cuyahoga County Commissioners to find a suitable site for the new juvenile detention.

**An emergency resolution urging the City of Cleveland to adopt a public policy position requiring that all publicly owned facilities and those facilities that receive public subsidies to use electrical power provided by Cleveland Public Power.**

Whereas, CPP's annual debt service is currently approximately \$20 Million; and

Whereas, the City of Cleveland provides economic incentives to a number of enterprises, including those that are publicly-owned and those which although privately owned receive substantial public assistance; and

Now, therefore, be it resolved by the Council of the City of Cleveland:

**An emergency resolution objecting to the transfer of ownership and location of a C1 Liquor Permit to 4616 Lorain Avenue.**

Whereas, Council has been notified by the Director of Liquor Control of an application for the transfer of ownership and location of a C1 Liquor Permit from Permit No. 3133110, George Georges, DBA Bailey Delicatessen, 2254 W. 41st St., 1st Fl., Cleveland, Ohio 44113, to Permit No. 21757120005, John Dimmian, DBA Neighbors Choice, 4616 Lorain Avenue, Cleveland, Ohio 44113; and

Whereas, the granting of this application for a liquor permit to this high crime area, which is already saturated with other liquor outlets, is contrary to the best interests of the entire community; and

Whereas, the applicant does not qualify to be a permit holder and/or has demonstrated that he has operated his liquor business in disregard of the laws, regulations or local ordinances of this state or any other state; and

Whereas, the place for which the permit is sought has not conformed to the building, safety or health requirements of the governing body of this County or City; and

Whereas, the place for which the permit is sought is so arranged or constructed that law enforcement officers or agents of the Department of Liquor Control are prevented reasonable access to the establishment; and

Whereas, the place for which the permit is sought is so located with respect to the neighborhood that it substantially interferes with public decency, sobriety, peace or good order; and

Whereas, this objection is based on other legal grounds as set forth in Revised Code Section 4303.292; and

Whereas, this resolution constitutes an emergency measure providing for the immediate preservation of the public peace, property, safety and welfare pursuant to Section 4303.26 of the Ohio Revised Code. Council's objection to said permit must be received by the Director of Liquor Control within 30 days of notification; now, therefore,
