FIRST READING EMERGENCY RESOLUTIONS READ IN FULL AND ADOPTED

Res. No. 2071-99.

By Councilman Cintron.

An emergency resolution supporting the rapid passage of H.R. 289/S. 1591 to restore control of Vieques to the Government of Puerto Rico and urging President Clinton to immediately cease using the island as a bombing and firing range for military exercises.

Whereas, Vieques is a small island on the eastern end of Puerto Rico, with a land area of approximately 33,000 acres, and is home to 9,300 U.S. Citizens; and

Whereas, the United States Navy, through eminent domain, assumed control of more than three-quarters of the Vieques in 1941 for naval maneuvers. The Navy uses the eastern end of Vieques as a bombing range, both from ships and the air, and as an amphibious landing maneuver; the western side is used for the maintenance of an ammunition dump and radar equipment. The Viequesens live in the middle of the island, between the naval operations; and

Whereas, the people of Vieques are forced to live in war-like conditions on a daily basis; and

Whereas, on April 19, 1999, during a Navy air training mission, two 500 pound bombs were dropped on a guard station, resulting in the death of a civilian security guard and the injury of four other persons; and

Whereas, the Vieques' population is plagued with other problems believed to be the result of U.S. naval presence and the use and testing of chemical weapons such as napalm and depleted uranium; such problems include: a cancer rate 27% higher than that in Puerto Rico; an excessively high poverty rate of 73%; and an infant mortality rate among the highest of any municipality in Puerto Rico; and

Whereas, there is bipartisan legislation pending before Congress, H.R. 2890/S. 1591, that seeks to restore control of Vieques to the Government of Puerto Rico; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety in that the people of Vieques are suffering daily from the presence of the United States Navy, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland supports the rapid passage of H.R. 289/S. 1591 to restore control of Vieques to the Government of Puerto Rico and

urges President Clinton to immediately cease using the island as a bombing and firing range for military exercises.

Section 2. That the Clerk is hereby requested to transmit a copy of this resolution to the following: President Clinton; all Cleveland area Representatives to the U.S. House of Representatives; and Senators Voinovich and DeWine.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

An emergency resolution urging Cleveland's congressional delegation to devote their attention, power and compassion to assist the people of El Salvador.

Whereas, El Salvador is a small country located in Central America, but has borne an inordinate amount of strife for such a small nation; and

Whereas, during the last three decades of this century, the people of El Salvador have been subjected to great turmoil and civil war, with the slaying of nearly 75,000 people; the unaccounted for disappearance of untold numbers of people, and the displacement of almost one-third of the population; and

Whereas, three especially heinous events have received world-wide media attention: the assassination of Archbishop Romero in March, 1980; the killing of four North American missionary women, two of whom were natives of Cleveland, in December, 1980; and the massacre of six Jesuit priests and two women co-workers in November, 1989; and

Whereas, the Jesuit Order has been in El Salvador providing education and faith service to thousands of people through the University of Central America, with their presence well known to the government, military, and most notably to the poor for whom they have provided preferential concern; and in return for their kind and humanitarian efforts, members of the Order are subject to great physical risk; and

Whereas, the United States government, as a powerful, wealthy and just country, should support grass roots economic development in El Salvador and should urge the IMF/World Bank to forgive El Salvador's debt; now therefore

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland urges the Cleveland area representatives to the United States House of Representatives and Senators Voinovich and DeWine to devote their attention, power and compassion to assist the people of El Salvador in their grass roots economic development efforts; to permanently close and eliminate funding for the School of the Americas; and to urge the IMF/World Bank to forgive the debt of El Salvador.

Section 2. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
