Res. No. 1824-98.

By Councilmen Westbrook, Johnson, Willis and Coats.

An emergency resolution expressing Council's intent to ensure that the Division of Park Maintenance is restored to a full complement of staff and equipment.

Whereas, the Council of the City of Cleveland is committed to the employment and the utilization of City workers to provide services to the residents of the City of Cleveland; and

Whereas, this Council is vehemently opposed to the privatization of City facilities and services; and

Whereas, the Department of Parks, Recreation and Properties has sought authorization through Ordinance No. 1256-98 to enter into an agreement with a contractor, in order to supplement the staff of the Division of Park Maintenance, to trim trees throughout the City; and

Whereas, this Council is adamant that the Division of Park Maintenance must be restored to a full complement of staff, with fully operational and efficient equipment, to ensure that the hiring of a private contractor is an interim and temporary measure; and

Whereas, this Council will investigate the operation of Division of Park Maintenance to assist the Division in identifying methods to operate more effectively and efficiently and will work with the Division to recruit additional personnel and to identify the means to repair or purchase needed equipment, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland intends to ensure that the Division of Park Maintenance of the Department of Parks, Recreation and Properties is restored to a full complement of staff as existed in 1989 and 1990. That in order to meet the needs of the residents and to provide for the safe and efficient operation of the Division of Park Maintenance, the Council will undertake an audit of the Division to identify whether existing equipment is operational and whether additional equipment is required to operate effectively.

An emergency resolution urging the Congress to oppose the Internet Tax Freedom Act.

Whereas, the United States Senate is considering the passage of the Internet Tax Freedom Act, S. 442, which preempts state and local taxes and fees, but not federal taxes and fees, on goods and services provided over the Internet; and

Whereas, the legislation under consideration by the Senate fails to protect state and local revenue bases and, if enacted, would pose great harm to local merchants; and

Whereas, this Council is concerned about the potentially negative impact that would result from the passage of the Internet Tax Freedom Act in its current form; now therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That in consideration of the potentially harmful impact on local merchants, the Council of the City of Cleveland urges the United States Senate to oppose action on the Internet Tax Freedom Act, S. 442, unless the legislation is amended to provide a firm guaran-

tee that all sales of goods and services will be subject to the same sales taxes as over-the-counter sales by local merchants and further urges the House of Representatives and the President of the United States to oppose passage of legislation that will serve to undermine the revenue base of local municipalities.

Section 2. That the Clerk of Council is hereby requested to transmit a copy of this Resolution to the offices of President Clinton, Senators Glenn and DeWine, Senate Majority leader Trent Lott and Speaker of the House Newt Gingrich.

Section 3. An emergency resolution urging Congress to support the reauthorization of the Local Law Enforcement Block Grant at increased funding levels.

Whereas, Congress is currently considering the reauthorization of funding for the Local Law Enforcement Block Grant (LLEBG) program which provides funds to cities and towns to assist in the reduction and prevention of crime; and

Whereas, the funding levels that are under consideration are insufficient and the formula for allocation of those funds may be altered, thereby resulting in less money being available to municipalities, such as Cleveland, to fight crime; and

Whereas, this Council of the City of Cleveland is gravely concerned about the level of crime throughout our City and desire Congress to provide adequate funding assistance to aid in the reduction and prevention of crime; now, therefore,

Be it resolved by the Council of the City of Cleveland:

An emergency resolution urging the President and Congress to support U.S. steel manufacturers by preventing the illegal dumping of foreign steel.

Whereas, LTV Corp., Cleveland-Cliffs, Inc., WCI Steel, Inc., the United Steel Workers of America and other steel producers, suppliers and workers are deeply concerned about the rising tide of foreign imports of steel; and

Whereas, this coalition contends that the Asian financial crisis has caused Asian and European steel producers to divert their steel to the United States, illegally dumping the steel at prices below production costs or home market prices; and

Whereas, if illegal dumping has occurred and is permitted to continue, such practices would cause financial harm to U.S. steel manufacturers and their many employees, many of whom are residents of the City of Cleveland; and

Whereas, the President and Congress have the authority and tools available to promptly investigate and prevent any illegal dumping practices; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland urges the President and Congress to support United States steel manufacturers and their thousands of employees by promptly investigating and preventing any illegal dumping of steel by foreign steel producers.
