Res. No. 475-14.

By Council Members Kelley, Brantcatelli, Cleveland, Brady, Mitchell, Keane, Zone, Dow, Pruitt, Reed, J. Johnson, Polensek, Cimperman, K. Johnson, Conwell, Cummins and Sweeney.

An emergency resolution supporting the Cuyahoga County Council's Ordinance No. O2014-0008 that enacts the Cuyahoga County Voting Rights Law to assist its citizens in exercising their right to vote through voter registration, early voting, and voting by mail programs; and urging the County to send applications to vote by mail with postage-prepaid return envelopes to all registered voters in Cuyahoga County.

Whereas, on March 11, 2014, the Cuyahoga County Council introduced Ordinance No. O2014-008 to enact the Cuyahoga County Voting Rights Law and update the Cuyahoga County Equity Plan in Chapter 1101 of the Cuyahoga County Code; and

Whereas, the Cuyahoga County Voting Rights Law promotes voter participation and access to the ballot in Cuyahoga County by all citizens through voter registration, early voting, and voting by mail programs, including mailing applications to vote by mail with postage-prepaid return envelopes; and

Whereas, as recognized by the U.S. Court of Appeals for the 6th Circuit in *League of Women Voters of Ohio v. Brunner*, 548 F.3d 463 (6th Cir. 2008), the citizens of Cuyahoga County experienced substantial problems and long lines trying to exercise their constitutional right to vote during the 2004 general election; and

Whereas, the voting problems experienced by the County's citizens in 2004 are not a mere accident, but are

the byproduct of unique conditions and needs of large, urban counties; and,

Whereas, Cuyahoga County is Ohio's largest county with a population of 1,280,122, and home to approximately 11 percent of Ohio's population of 11,536,502, according to the 2010 U.S. Census; and,

Whereas, a significant percentage of the County's citizens often change residential addresses a number of times in between elections. Almost 35 percent of Cuyahoga County's citizenry reside in rental housing. Furthermore, the County's Office of Homeless Services estimates that approximately 5,157 homeless citizens above the age of 18 live in the County who are entitled to cast their ballots in accordance with *Northeast Ohio Coalition for the Homeless v. Husted*, 2012 WL 2711393 (S.D. Ohio July 9, 2012); and,

Whereas, 94 percent of the voting precincts in Cuyahoga County are in multi-precinct locations, which significantly raises the possibility of relegating the County's citizens to provisional ballots when they vote on Election Day; and,

Whereas, the County found a real solution to these voting problems through a combination of mechanisms working together, including (1) the ability of its citizens, especially citizens who change residential addresses multiple times in between elections, to register to vote or update their voting registration and cast their vote on the same day during early in person voting at the Board of Elections; (2) early in person voting at the Board of Elections during after hours, the weekends, especially Sundays, and the Monday before the election; and (3) mailing the vote by mail applications to its citizens with postage-prepaid return envelopes to promote early voting and voting by mail; and,

Whereas, the citizens of Cuyahoga County have come to expect and rely on the fact that they automatically receive their requests for ballots to vote by mail, with postage-prepaid return envelopes, for every election; and,

Whereas, these solutions proved successful, and the County reduced the number of voting precincts available on Election Day; and,

Whereas, by the adoption of Ohio Senate Bills 205, 216, and 238, and Secretary of State Directive 2014-06, the State has jettisoned the very solutions that proved successful in resolving elections problems in Cuyahoga County; and,

Whereas, Cuyahoga County has a substantial interest in ensuring that its citizens have adequate opportunities to cast their ballots in every election; and

Whereas, Cuyahoga County also has a substantial interest in protecting the integrity of its own elections, including elections for its elected offices and issues that it places on the ballot by ensuring that the County's citizens have adequate opportunities to cast their ballot in elections that can be very close and impacted by the citizenry's ability to have adequate access to the ballot; and,

Whereas, In August 2012, Cuyahoga County adopted an Equity Plan, codified in Chapter 1101 of the Cuyahoga County Code, that expressly provides that the County's objective is to remove barriers that stand in the way of the County's citizens; and

Whereas, the restrictions imposed by the State have a disparate impact on working men and women in Cuyahoga County; and,

Whereas, the County should do everything possible to remove barriers in the way of its citizens' constitutional right to vote to further its equity objectives; and,

Whereas, as federal courts have recognized, the establishment of so-called "uniform" procedures across the State that fail to take into account the unique needs of individual counties results in inequity and hurts the ability of citizens in large counties to vote. See, e.g., *Vanzant v. Brunner*, S.D. Ohio Case No. 1:10-cv-596; and,

Whereas, Cleveland City Council supports the County Council's determination, as a chartered county with home rule powers, that it is necessary to provide services to its citizens to facilitate their ability to vote; and,

Whereas, as a chartered county, Cuyahoga County is constitutionally entitled to rights and privileges, including a First Amendment right to communicate with its citizens and share information with them on how to vote and what forms to use when they want to apply to receive their ballots by mail; and,

Whereas, Senate Bill 205 restricts speech based on the identity of the speaker by not prohibiting individuals and private corporations from exercising their First Amendment right to communicate through sending applications to vote by mail, including postage-prepaid return envelopes, while attempting to restrict the ability of home rule entities from exercising the very same speech; and,

Whereas, Cleveland City Council supports the County Council's finding that it is necessary to invoke the County's home rule powers and its constitutional First Amendment rights to establish a program to assist its citizens in exercising their right to vote through voter registration as well as mailing applications for voting by mail to its citizens, with postage-prepaid return envelopes; and

Whereas, Cleveland City Council supports the County Council's Voting Rights Law that will assist all Cleveland and Cuyahoga County citizens in exercising their right to vote; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council supports the Cuyahoga County Council's Ordinance No. O2014-0008 that enacts the Cuyahoga County Voting Rights Law to assist its citizens in exercising their right to vote through voter registration, early voting, and voting by mail programs; and urges the County to send applications to vote by mail with postage-prepaid return envelopes to all registered voters in Cuyahoga County.

Section 2. That the Clerk of Council is directed to transmit copies of this resolution to the Cuyahoga County Council, County Executive, Ed FitzGerald, and Councilmember Sunny Simon.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all

the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Purpose

The purpose of this document is to identify the policy that will govern the investment activities of the Treasurer's Office of the City of Cleveland. This policy has been adopted by, and, if necessary, will be revised on an annual basis by, the Director of Finance.

This policy is designed to ensure prudent management of public funds, conformance to Chapter 178 of the Codified Ordinances of the City of Cleveland, availability of operating and capital funds when needed, and an investment return competitive with comparable funds and financial market indices.

All participants in the investment process shall act responsibly as custodians of the public trust. Investment officials shall recognize that the investment portfolio is subject to public review and evaluation. The overall program shall be designed and managed with a degree of professionalism that is worthy of the public trust.

Scope of the Investment Policy

This policy applies to the investment of all moneys of the City of Cleveland under the custody and control of the Division of Treasury. Any practice not clearly authorized under this policy is prohibited. The guidance set forth herein is to be strictly followed by all those responsible for any aspect of the management or administration of these funds.

The City's investments shall be segregated into distinct portfolios, including portfolios for the General Fund, and the Divisions of Water, Airport, Utilities, Cemeteries, Safety, and Railroads. Total Average Portfolio, as defined in this policy, shall mean the average of the month-end market values for the prior twelve (12) month period of an individual portfolio.

Investment Objectives

All Portfolios shall be managed to accomplish the following hierarchy of objectives:

1. **Preservation of Principal** - The single most important objective of the City of Cleveland investment program is the preservation of principal of those funds within the Portfolio.
2. **Maintenance of Liquidity** - The Portfolio shall be managed in such a manner that assures that funds are available as needed to meet those immediate and/or future operating requirements of the City of Cleveland.
3. **Maximize Return** - The Portfolio shall be managed in such a fashion as to attain a market-average rate of return throughout budgetary and economic cycles, within the context and parameters set forth by objectives 1 and 2 above.

Delegation of Authority

The Treasurer is responsible for the prudent investment of the City of Cleveland Treasury and shall oversee the establishment of investment procedures consistent with this policy. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer. The Treasurer shall be responsible for all trades undertaken, and shall establish a system of controls to regulate the activities of subordinate officials and shall exercise control over that staff. Investment staff shall be bonded in amounts appropriate to levels of responsibility and portfolio characteristics.

The City's Internal Auditor will review the investment program to ensure compliance with this policy.

Standard of Prudence

The standard of prudence to be applied to the investment of the City of Cleveland shall be the industry standard "Prudent Investor Rule", which states:

"Investments shall be made with judgment and care, under circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the

management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

Treasury staff acting in accordance with this policy or any other written procedures pertaining to the administration and management of the City of Cleveland and who exercise the proper due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided that these deviations are reported immediately to the Treasurer and that appropriate action is taken to control and prevent any further adverse developments.

Ethics and Conflict of Interest

Employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Further, no employee involved in the investment process shall use the authority to influence of office or employment to secure anything of value or the promise or offer of anything of value that would create an improper influence upon the public official or employee with respect to that person's duties.

Employees and investment officials shall comply fully with the reporting and disclosure requirements of Chapter 102 of the Ohio Revised Code.

Authorized Instruments

The Treasurer is authorized to invest the City of Cleveland in instruments as described in section 178.12 of the Codified Ordinances as summarized and restricted below:

- B. **Federal Agency Obligations.** Bonds, notes, debentures, or other obligations or securities issued by any federal government agency or instrumentality.
- C. **State and Municipal Bonds and Notes.** Bonds and notes of the State of Ohio, and any municipal corporation, village, county, township, or other political subdivision of Ohio for which the full faith and credit of the subdivision is pledged, so long as such subdivision has not defaulted in the payment of principal or interest on its bonds or notes within the last ten (10) years.
- D. **State Pool.** State of Ohio Local Agency Investment Pool (STAR Ohio) authorized under section 135.45 of the Ohio Revised Code.

E. Bank Deposits. Time certificates of deposit (not to exceed one [1] year) or savings or deposit accounts in an eligible institution as defined in Chapter 178 of the Codified Ordinances of the City of Cleveland. Collateralization is required on all deposits of City funds as stated in Chapter 178 of the Codified Ordinances of the City of Cleveland.

F. U.S. Government money market mutual funds. Issued by open ended investment companies registered with the SEC, with an average maturity of one hundred twenty (120) days or less, which have the objective of maintaining a constant net asset value per share, and which invest exclusively in U.S. Treasury Obligations, Federal Agency Obligations, and repurchase agreements secured by such obligations.

G. Repurchase Agreements. Specific agreements shall not exceed a term of one (1) year with any eligible depository or designated securities broker/dealer which has entered into a master repurchase agreement pursuant to Codified Ordinance Section 178.12, division (c), under the terms of which agreement the City Treasurer purchases for the City, and such eligible depository or securities broker/dealer agrees to unconditionally repurchase, any of the securities listed in Section 178.12, divisions (b)(1), (b)(2), or (b)(3), of the Codified Ordinances of the City of Cleveland.

Diversification

Each Portfolio shall be structured to diversify investments to reduce the risk of loss resulting from over-concentration of assets in a specific maturity, a specific issuer or a specific type of security. The maximum percentage of the Total Average Portfolio permitted in each security is as follows:

A. U.S. Treasury	100% maximum
B. Federal Agency (Fixed Rate)	100% maximum
C. Federal Agency (Callable)	55% maximum
D. Certificates of Deposit	25% maximum
E. Repurchase Agreements	25% maximum
F. State Bonds and Notes	10% maximum
G. Municipal Bonds and Notes	10% maximum
H. STAR Ohio	75% maximum
I. Money Market Mutual Funds	75% maximum

Each Portfolio will be further diversified to limit the exposure to any one issuer. No more than 2% of the Total Average Portfolio will be invested in the securities of any single issuer with the following exceptions:

U.S. Government Obligations	100% maximum
Money Market Mutual Funds	10% maximum
Repurchase Agreements	
Counterparties	5% maximum

Maximum Maturity

Maintenance of adequate liquidity to meet the cash flow needs of the City is essential. Accordingly, each Portfolio will be structured in a manner that ensures sufficient cash is available to meet anticipated liquidity needs. Selection of investment maturities must be consistent with the cash requirements in order to avoid the forced sale of securities prior to maturity.

Assets will be invested in permitted investments with a stated maturity of no more than five (5) years from the date of purchase unless the security is matched to a specific obligation or debt of the City. To control the volatility of the assets, the Treasurer of the City will determine a duration target, not to exceed three (3) years.

Notwithstanding these limitations, in no case will the assets in any Portfolio be invested in securities with a term to maturity that exceeds the expected disbursement date of those funds.

Prohibited Investments and Investment Practices

The Treasurer is expressly prohibited from the following investments and investment practices. This is not an exclusive list.

1. Short sales (selling a specific security before it has been legally purchased);
2. Investment in complex derivatives such as range notes, dual index notes, inverse floating rate notes and deleveraged notes, or notes linked to lagging indices or to long-term indices;
3. Collateralized mortgage obligations (CMOs) and real estate mortgage investment conduits (REMICs);
4. Investing in any security not specifically permitted by this Policy.

Monitoring and Adjusting the Portfolio

Those responsible for the day-to-day management of the Portfolios will routinely monitor the contents of each Portfolio, the available markets and the relative values of competing instruments, and will adjust each Portfolio as necessary to meet the investment objectives listed above. It is recognized and understood that this non-speculative active management of Portfolio holdings may cause a loss on the sale of an owned investment. It is the policy of the City of Cleveland to charge any such loss against the interest income account during the month in which the loss was realized.

The City of Cleveland Office of Budget and Management, on a quarterly basis, allocates the net income/losses earned on investments of the General Revenue Account to various funds based on each fund's

cash balance in proportion to the City of Cleveland as a whole.

Internal Controls

The City Treasurer is responsible for monitoring a system of internal controls governing the administration and management of the Portfolio which include a review of all investment activity, trade reconciliation, and targeting cash balances. Such controls are designed to prevent and control losses of the City funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by any personnel. The internal controls address: control of collusion, separation of duties, separating transaction authority from accounting and record keeping, custodial safekeeping, clear delegation of authority, written confirmation of telephone transactions, minimizing the number of authorized investments officials and documentation of investment transactions.

Eligible Banks and Broker/Dealers

The Director of Finance will establish and the Treasurer will maintain a list of eligible brokers, dealers, and banks with which investment transactions can be made, as described in Section 178.11 of the Codified Ordinances of the City of Cleveland. Qualified firms will be limited to "primary" dealers and other dealers that qualify under Securities and Exchange Commission Rule 15c3-1 (uniform net capital rule) that are registered with the Ohio Department of Commerce to do business in the State of Ohio. All financial institutions and broker dealers must provide the following information, on an annual basis:

1. Sworn statement pledging to adhere to "Capital Adequacy Standards"
2. Annual financial statements for the most recent year showing the amount of liquid capital
3. A written statement from a certified public accountant certifying no weakness in the internal systems of controls of the dealer or broker were found
4. A completed "Broker/Dealer Request for Information" and all documentation required by Section 178.12 of the Codified Ordinances of the City of Cleveland.

Preference will be given to banks and broker/dealers who are headquartered or maintain a presence in the City of Cleveland.

Financial institutions and broker/dealers will be required to comply with this policy and to pledge to offer for sale only appropriate securities.

Competitive Selection of Investment Instruments

It will be the policy of the Treasurer to transact all security purchases/sales only with approved

financial institutions through a competitive process. The City shall accept the offer which (a) has the highest rate of return within the maturity required; and (b) optimizes the investment objective of the overall portfolio. When selling a security, the Treasurer will select the bid that generates the highest sale price.

Primary fixed price Federal Agency offerings may be purchased from the list of qualified broker/dealers without competitive solicitation.

In making investment decisions, all other things being equal and subject to compliance with any applicable Internal Revenue Code requirements for bond proceeds, investment in corporations and financial institutions doing business in the City of Cleveland will be given preference over other investment options.

Safekeeping and Custody

All investment securities purchased by the Treasurer or held as collateral on deposits or investments shall be held in third-party safekeeping at the Federal Reserve Bank of Cleveland or at a secured and insured depository as required by Chapter 178 of the City of Cleveland Codified Ordinance and Section 113.05 of the Ohio Revised Code.

All securities in the Portfolio shall be held in the name of the Treasurer of the City of Cleveland and will be free and clear of any lien. Further, all investment transactions will be conducted on a delivery-vs.-payment basis. The depository shall issue a safekeeping receipt to the Treasurer listing the specific instrument, rate, maturity and other pertinent information.

Appropriate Treasury officials and representatives of the depository responsible for, or in any manner involved with, the safekeeping and custody process of the City of Cleveland shall be bonded in such a fashion as to protect the City from losses from malfeasance and misfeasance.

Performance Standards

The investment portfolios shall be designed and managed with the objective of obtaining a market rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and cash flows needs of the City.

Reporting

The City Treasury shall maintain accurate, complete, and timely records of all investment activities. Each business day, the Treasurer shall provide the Commissioner of Accounts and the City Controller a sworn statement (Daily Treasurer's Report) showing the total amount deposited in and withdrawn from each depository from the preceding business day. Within fifteen (15) business days of the end of the month, the City Treasurer shall submit an investment report to the Director of Finance. This report

shall include: (i.) a listing of the existing portfolios in terms of investment securities, book value, maturity date, return, market value, and other features deemed relevant, (ii.) a listing of all transactions executed during the month. The City Treasurer will also prepare annual reports in sufficient detail to provide full disclosure of all investment activities to the Director of Finance.

Conflict of Law

In the event that any portion of this policy is in conflict with any City, State, or Federal law, that law will prevail.

Investment Policy Effective Date

This policy is adopted this 9th day of April 2009 and shall remain in effect until rescinded or amended by the Director of Finance.

Whereas, as in years past, during Earth Hour 2014, iconic buildings and landmarks from Asia Pacific to Europe and Africa to the Americas were switched off; people across the world from all walks of life turned off their lights and came together in celebration and contemplation of the one thing we all have in common - our planet; and

Whereas, landmarks from around the world went dark for Earth Hour 2014, including: the Empire State Building; the Brooklyn Bridge; Broadway Theater Marquees; the Las Vegas Strip; United Nations Headquarters; the Golden Gate Bridge; Seattle's Space Needle; Church of Latter-Day Saints Temple; the Gateway Arch in St Louis; the Great Pyramids of Giza; the Acropolis and Parthenon in Athens; Christ the Redeemer Statue in Rio de Janeiro; St. Peter's Basilica in Vatican City; Big Ben and Houses of Parliament in London; Elysee Palace and Eiffel Tower in Paris; Beijing's Bird Nest and Water Cube; Symphony of Lights in Hong Kong; and Sydney's Opera House; and
