An emergency resolution urging the U.S. and Ohio Environmental Protection Agencies to review the comments submitted by the St. Clair Superior Neighborhood Development Association concerning the CEI Lakeshore Plant and Day-Glo Color Corporation and to promptly address those concerns during the permit review process.

Whereas, the St. Clair Superior Neighborhood Development Association Environmental Committee has been challenging the "Title V" air pollution permit renewal for the CEI Lakeshore Plant and Day-Glo Color Corporation, contending that they may be emitting hazardous air pollutants, and

Whereas, Title V of the 1990 Clean Air Act calls for community involvement in the permitting process, particularly during the federally mandated "comment period," during which a preliminary "draft permit" is drawn up by the state Environmental Protection Agency (EPA) and is made available for public comment; and

Whereas, the St. Clair Superior Neighborhood Development Association has submitted, both orally and in writing, to the U.S. and Ohio EPAs concerning the CEI Lakeshore Plant and Day-Glo Color Corporation; and

Whereas, the St. Clair Superior Neighborhood Development Association has requested that these cases be examined to determine whether there are environmental justice issues in accordance with Executive Order No. 12898, issued by President Clinton on February 11, 1994; and

Whereas, the St. Clair Superior Neighborhood Development Association has requested that all records, logs and other documents required to be maintained in accordance with the permits be made available permanently and locally for review by the community within a reasonable time frame and that the documents be provided at no cost; and

Whereas, the residents of the City of Cleveland should be provided with the opportunity to live in a neighborhood free of injurious environmental contaminants; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland urges the U.S. and Ohio Environmental Protection Agencies to review the comments submitted by the St. Clair Superior Neighborhood Development Association and to promptly and thoroughly address those concerns during the permit review process.

An emergency resolution opposing the decision to close St. Michael Hospital and urging the federal government to conduct an investigation into the recent rash of hospital closures in Cleveland; and urging that the City join a lawsuit compelling that St. Michael remain open.

Whereas, this Council of the City of Cleveland is deeply concerned about the recent announcement concerning the closing of St. Michael Hospital, located in the heart of the City of Cleveland; and

Whereas, this announced closure comes on the heels of the closure of Mt. Sinai Hospital and the announcement by MetroHealth Medical Center that it intends to terminate its agreements with Medicaid HMO providers, negatively impacting over 30,000 residents of the City of Cleveland; and

Whereas, the impact of the closure of St. Michael's is devastating to the north and south Broadway communities, to the southeast region of our City, as well as to the entire City of Cleveland and Cuyahoga County; and

Whereas, this Council is especially disturbed that, at a time in which our national and local economies are booming, and at a time when there is over \$493 million dollars in new hospital construction underway in the Greater Cleveland area, and at a time when institutions such as the Cleveland Clinic are opening new facilities in Florida, that our own health community deems it appropriate to discontinue health care to Cleveland residents; and

Whereas, with the closure of St. Michael's, over 400 jobs will be lost, over 200 beds will become unavailable to serve the needs of our city, and another emergency room will shut its doors to the residents of the inner city; and

Whereas, this Council finds it especially troubling that our own Cleveland Clinic, which at any time provides care to foreign royalty and various heads of state and other high paying patients from abroad, has deemed community health care in Cleveland to be of little or no value; and

Whereas, this Council is greatly concerned about the quality and accessibility of health care available to serve the needs of the residents of the City of Cleveland; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland strongly opposes the decision to close St. Michael Hospital and urges that such decision be reconsidered for the benefit of the residents of the City and Greater Cleveland community.

Section 2. That this Council urges President Clinton, Attorney General Janet Reno and Secretary of Health and Human Services Donna Shalala to conduct an investigation in to the closures of hospitals in Cleveland.

Section 3. That this Council wishes to acknowledge the efforts of Congressman Dennis Kucinich for his assistance and attention to this matter and to thank him for working for the benefit of the citizens of Cleveland.

Section 4. That this Council will hold a public hearing on the issue of hospital closures and the detrimental impact on the health care of the residents of the City at 9:30 a.m. on Friday, March 10, 2000.

Section 5. That this Council urges that the City join in the proposed lawsuit and/or injunction to keep St. Michael Hospital open.

Section 6. That the Cleveland Clinic and PHS work together with our residents, Cleveland's community development organizations, the St. Michael Community Board, and the Council of the City of Cleveland to provide a proper standard of health care that is accessible to all residents in the City of Cleveland.

Section 7. That the Clerk is hereby requested to transmit a copy of this resolution to President Clinton, Attorney General Janet Reno and Secretary of Health and Human Services Donna Shalala, Congressman Dennis Kucinich and the President of the Cleveland Clinic and PHS.

Section 8. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Adopted March 6, 2000.

Effective March 11, 2000, without the signature of the Mayor.
