An emergency resolution supporting early identification, diagnosis and treatment of mental health and substance abuse for juveniles charged with offenses.

Whereas, this Council believes that the problem associated with mentally ill juvenile offenders is of national concern; and

Whereas, it has been established that the vast majority of juveniles entering the criminal justice system suffer from both substance abuse and mental illness; and

Whereas, it is estimated that ten percent of the juveniles in correctional facilities are diagnosed with a major mental illness or have severe or chronic mental health problems that require psychiatric treatment; and

Whereas, it has been determined that many mentally ill offenders can be successfully treated if they receive early and appropriate intensive mental health treatment in structured placement; and

Whereas, the current juvenile criminal justice system, both locally and nationally, is not structured to provide appropriate levels of treatment and care for mentally ill offenders to ensure the safety of the mentally ill, the other confined juveniles and persons in the community; and

Whereas, it is essential for juveniles, whenever possible, to undergo dual diagnosis of mental illness and substance abuse in order to effectively determine the degree to which such juveniles must receive substance abuse treatment and/or psychiatric treatment; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council supports the early identification, diagnosis and treatment of mental health and substance abuse for juveniles charged with offenses.

An emergency resolution supporting passage of federal legislation devoted to preventing hate crimes and urging the federal government to establish a grant program to assist state and local investigations and prosecutions of hate crimes.

Whereas, efforts must be taken at all levels of government to respond to the staggering brutality of hate crimes that have shocked the nation; and

Whereas, the incidence of violence motivated by the actual or perceived race, color, national origin, religion, sexual orientation, gender or disability of the victim poses a serious national problem; and

Whereas, many states have no laws addressing violence based on the actual or perceived race, color, national origin, religion, sexual orientation, gender or disability of the victim, while other states have laws that provide only limited protection; and

Whereas, all people deserve to be safe within their communities, free to live, work and worship without fear of violence and bigotry; and

Whereas, individuals who commit crimes based on hate and bigotry must be held responsible for their actions and must be stopped from spreading violence; and

Whereas, although local authorities will continue to be responsible for prosecuting the overwhelming majority of violent crimes, including crimes motivated by hate, federal jurisdiction over certain violent crimes motivated by hate are necessary to supplement state and local efforts to ensure that justice is achieved in each case; and

Whereas, any efforts undertaken by the federal government to combat hate crimes must respect the primacy that states and local officials have traditionally been accorded in the criminal prosecution of acts constituting hate crimes; and

Whereas, expanding federal jurisdiction over certain violent crimes motivated by hate enables federal, state and local authorities to work together as partners in the investigation and prosecution of such hate crimes; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council supports passage of federal hate crime legislation so long as it does not supersede the right of state and local communities to legislate and prosecute in the area of hate crimes. Further, this Council urges the federal government to establish a grant program to assist state and local

investigations and prosecutions of hate crimes.

Section 2. That the Clerk of Council be and is hereby directed to transmit certified copies of this resolution to Janet Reno, United States Attorney General, to Senators Mike DeWine and George Voinovich, and to Representatives Dennis Kucinich, and Stephanie Tubbs-Jones.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

An emergency resolution supporting the closure of loopholes in federal firearms laws and pending legislation.

Whereas, federal law presently permits any individual, regardless of age, to purchase any rifle, shotgun or other long gun, including assault weapons, in a private sale; and

Whereas, federal law also presently permits individuals over age 18 and under age 21 to purchase a handgun, including an assault pistol, in a private transaction; and

Whereas, many firearms are now sold privately at or in association with organized gun shows; and

Whereas, no federal agency presently has jurisdiction to regulate or otherwise oversee the design, safety and responsible marketing of firearms; and

Whereas, the United States Senate has approved a measure exempting pawn shops from conducting background checks upon individuals redeeming firearms previously pawned; and

Whereas, the Internet has the potential to function as a wholly unregulated "virtual gun show" and presently features many sites devoted wholly to commercial sales of firearms; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council supports the closure of loopholes in federal firearms laws and pending legislation as follows:

All persons between the ages of 18 and 21 should be prohibited from purchasing or possessing an assault rifle or handgun, including an assault pistol.

All purchasers of firearms at private sales during organized gun shows, and individuals who redeem a weapon from a pawnshop, should be subject to the same background investigation to which individuals who purchase firearms from federal firearms licensees are subject.

The appropriate federal agency should be vested with the authority to regulate and otherwise oversee the design, safety and responsible marketing of firearms.

States and local governments should adopt stricter standards and rules regarding purchase and possession of firearms.

To the extent it is Constitutional, Internet-facilitated firearms sales should be subject to the same regulation and oversight as all other firearms sales.

All manufacturers should be required to include a trigger lock with each firearm produced.

Minors should be prohibited from purchasing a shotgun, or possessing a shotgun if not under the supervision of a person over age 21.

Large capacity clips (i.e., more than 10 rounds) should be prohibited.

Section 2. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Res. No. 1542-2000.

By Councilmen Rybka and Polensek.

An emergency resolution condemning the practice of property "flipping" and urging the Attorney General of the State of Ohio and the Secretary of Housing and Urban Development to investigate this practice as it is occurring in the City of Cleveland.

Whereas, there has been a resurgence in the purchase and rapid resale of residential property at huge mark-ups, a practice known as property "flipping"; and

Whereas, property "flipping" usually consists of buying often condemned property, spending marginal amounts on improvements and then selling the property at 2 to 4 times what was paid for it, even though the property is still condemned; and

Whereas, property "flipping" has squeezed tens of millions of dollars of potential value out of Cleveland's old and often deteriorating housing stock, allowing the middle-man to reap huge profits, while little or no improvements are being made to the properties; and

Whereas, it is reported that from 1997 through April, 2000, nearly 1,000 quick-profit turn-around sales have occurred in Cleveland, 80% in the East Side neighborhoods, taking over \$31 million in potential value out of the City housing stock; and

Whereas, the property "flipping" phenomenon is characterized by questionable pre-sale appraisals, sometimes falsified property transfer records and "straw-man" borrowers; and

Whereas, although the practice of property "flipping" may not in and of itself be illegal, knowingly falsifying property transfer records, which is reported to occur in such property "flipping" deals, is a third degree felony; and

Whereas, this cycle of disinvestment only means that landlords will be overextended, properties will not be maintained and property values will suffer; and

Whereas, this Council is disturbed by the effects property "flipping" has on its constituents, its neighborhoods and the City of Cleveland; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council condemns the practice of property "flipping" and urges both the Attorney General of the State of Ohio and the Secretary of Housing and Urban

Development to investigate this practice as it is occurring in the City of Cleveland to determine any wrongdoing.

Section 2. That the Clerk of Council is hereby directed to transmit certified copies of this resolution to the Attorney General of the State of Ohio and the Secretary of Housing and Urban Development.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
