Dear Council President Polensek:

I am pleased to recommend David Bowen for reappointment to the City Planning Commission. This term will commence immediately upon the approval of Council and will expire on November 2, 2006.

Mayor

Received.  
Referred to Committee on Mayor's Appointment.

**COMMITTEE ON MAYOR'S APPOINTMENTS**

**File No. 90-2000-B.**

August 7, 2000

To The Honorable President and Members of Cleveland City Council:

This correspondence in concerning the report of the Mayor's Appointment Committee on the Mayor's Appointments to the Cleveland-Cuyahoga County Port Authority.

We have before us the Mayor's letter dated June 5, 2000 wherein he recommends the appointment of Mr. Daniel Clark to the Cleveland-Cuyahoga County Port Authority.

Please note, that after careful consideration, the Mayor's Appointment Committee recommended the disapproval of the appointment of Mr. Clark on May 22, 2000. The Council of the City of Cleveland voted unanimously to disapprove the appointment of Mr. Clark on May 22, 2000. While the Mayor's Appointment Committee contends that the May 22nd disapproval of Mr. Clark was sufficient to warrant his removal from the Board and that a subsequent disapproval is not necessary, the Committee nevertheless again recommends the disapproval of the appointment of Mr. Daniel Clark to the Cleveland-Cuyahoga County Port Authority Board.

Members, Mayor's Appointment Committee,

Michael C. O'Malley, Chairman  
Patricia Britt  
Joseph Cimperman  
Bill W. Patmon  
Martin J. Sweeney

Motion by Councilman O'Malley, seconded by Councilman Patmon.

Without objection, that the letter dated August 7, 2000 from the Mayor's Appointment Committee recommending the disapproval of Daniel Clark to the Cleveland-Cuyahoga County Port Authority is hereby approved by Council. Yeas 15. Nays 0.

**An emergency resolution urging the federal government to require labeling of genetically manipulated foods and further urging a moratorium on the production of such foods until acceptable testing systems are in place.**

Whereas, genetically engineered foods have not yet been proven safe and are not tested by any federal agency; and

Whereas, the Food and Drug Administration requires only that companies producing such genetically engineered foods state, on the "honor system", that such foods are safe with no further testing required; and

Whereas, a class action lawsuit has been brought against the Food and Drug Administration to prevent it from continuing to rush such untested foods on the market; and

Whereas, numerous bioengineers and scientists have stated that the technology of genetically engineered foods is clearly different from traditional methods and could lead to a host of undesirable health and environmental problems; and

Whereas, such technology further has potential negative effects in genetic cross-pollination of beneficial plants, insects and other fragile ecosystems;

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety in that it is essential that the public know and understand how the foods it purchases are being produced and the possible health and environmental risks of such production, now, therefore,

**By Councilmen Brady, Polensek, Gordon, Jones and Cintron.**

**An emergency resolution supporting the Cleveland AFL-CIO's call for a publically financed non-profit national health care insurance plan.**

Whereas, this Council of the City of Cleveland believes that all citizens, those with and without financial means, should have access to affordable, quality health care as evidenced by its participation in the fight to save St. Michael Hospital; and

Whereas, by numerous resolutions concerning health care, this Council has advocated and encouraged health care providers, insurance companies and employers to be cognizant of the need to provide health care for all members of our community; and

Whereas, it is estimated that 45 million Americans have no health care insurance and 58% of the uninsured work full time; and

Whereas, the infant mortality rate in the U.S. is higher and the life expectancy rate is lower than every other advanced nation; and

Whereas, the Cleveland AFL-CIO Federation of Labor unanimously adopted a resolution supporting a non-profit national health care insurance plan which is publically financed and guarantees comprehensive and lifetime coverage for all; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

**Section 1.** That this Council of the City of Cleveland strongly supports the position of the Cleveland AFL-CIO Federation of Labor in calling for a non-profit national health care insurance plan which is publically financed and guarantees comprehensive and lifetime coverage for all.
