An emergency resolution urging SuperTrapp and DCM, subsidiaries of Dreison Industries to comply with the order of the NLRB and to act in accordance with applicable laws in its dealings with its employees and UNITE.

Whereas, the Council of the City of Cleveland recognizes that a healthy work environment characterized by mutual respect among co-workers and management is essential for businesses to operate properly and for employees to work to their fullest potential; and

Whereas, Council has, by passage of numerous resolutions, recognized the right of employees to seek safe, fair and productive working conditions and to be paid equitably for their hard work; and

Whereas, Council recognizes the right of workers to organize free from interference, intimidation and retribution; and

Whereas, approximately 250 workers at the SuperTrapp, and DCM, subsidiaries of Dreison Industries, voted to be represented by the UNITE union and that such election was upheld by the National Labor Relations Board; and

Res. No. 1585-99.
By Councilman Coats.
An emergency resolution urging Congress to adopt legislation to ensure the provisions of the Voting Rights Act of 1965 remain in place permanently.

Whereas, the 15th amendment to the United States Constitution prohibits racial discrimination in voting; and

Whereas, to ensure that this constitutional requirement was upheld, Congress enacted the Voting Rights Act of 1965 to address the widespread discrimination that existed in many areas of the country where African Americans were not permitted to vote, and those who registered to vote or assisted in registering others to vote risked losing their jobs, their homes and even their lives; and

Whereas, the Voting Rights Act of 1965 provided, among other things, for federal registrars to register voters in certain areas, federal monitors for elections, and prohibited the creation of voting procedures that were racially discriminatory; and

Whereas, the provisions of the Voting Rights Act were extended in 1970, 1975 and 1982 and are now scheduled to expire in 2007, if not further extended; and

Whereas, this Council of the City of Cleveland abhors racial discrimination in all forms, and particularly with respect to the ability to vote since that right is the cornerstone of our democracy; and

Whereas, the United States Congress should enact a measure that ensures that the mechanisms to monitor discrimination in voting established by the Voting Rights Act of 1965 will remain in effect permanently; now therefore

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland urges Congress to enact legislation that will ensure that the procedures to monitor and prevent discrimination in voting established by the Voting Rights Act of 1965 will remain in effect permanently, and not be subject to periodic review by Congress.

Section 2. That the Clerk of Council is hereby requested to transmit a copy of this resolution to the following members of Congress: Den-

nis Kucinich; Stephanie Tubbs Jones; Steve LaTourette; George Voinovich and Mike DeWine.

An emergency resolution urging the Senate and the President of the United States to enact the African Growth and Opportunity Act, S. 1387, creating a new trade and investment policy for sub-Saharan Africa.

Whereas, stable trade relations between nations provide economic, political and social benefits for the residents of both countries; and

Whereas, this Council of the City of Cleveland believes that it is in the mutual interest of the United States and sub-Saharan Africa to encourage and promote the economic growth of sub-Saharan Africa through the creation of trade and investment policies; and

Whereas, the United States Senate is currently considering the African Growth and Opportunity Act, S. 1387, that would support economic self-reliance of sub-Saharan countries that are committed to accountable government, economic reform and the eradication of poverty; and

Whereas, the enactment of this act would introduce U.S. businesses and investors to the immense trade and investment opportunities throughout sub-Saharan Africa and provide African businesses with increased access to technology, management expertise and financial resources; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Res. No. 1587-99.

An emergency resolution urging the U. S. Congress to investigate HUD's handling of Longwood and Rainbow Apartments; and demanding that HUD meet its agreement and promise to the tenants of Longwood and Rainbow Apartments by not displacing them with Section 8 vouchers; that HUD bring in new owners to maintain the properties; and that HUD help develop and find a long range plan for the renovation of both properties.

Whereas, Longwood Apartments is the home of over 800 families and Rainbow Apartments is the home of over 400 families; and

Whereas, the families in Longwood and Rainbow Apartments are poor families; and

Whereas, there is a great demand for housing opportunities such as that provided by Longwood and Rainbow Apartments; and

Whereas, both properties are Housing and Urban Development (HUD) subsidized properties; and

Whereas, HUD is required to ensure safe, sanitary and decent housing when subsidizing housing; and

Whereas, the condition of Longwood and Rainbow Apartments has been below housing quality standards (HQS) for many years; and

Whereas, HUD knew that both properties were below housing quality standards, but nevertheless continued to pay management fees and subsidies to the owners of Longwood and Rainbow Apartments; and

Whereas, both properties are owned by the same company; and

Whereas, local advocates and tenants of Longwood and Rainbow Apartments have for years complained to HUD about substandard conditions existing at both properties; and

Whereas, HUD had full knowledge of the substandard conditions while continuing to pay management fees and subsidies; and

Whereas, when the tenants of Longwood and Rainbow Apartments held a news conference in 1997 and exposed to the general public the substandard living conditions, and the City of Cleveland sighted both properties with a total of 8,000 code violations, then and only then, did HUD question the owners; and

Whereas, HUD's solution was to foreclose on Longwood and Rainbow Apartments and give over 1,200 families Section 8 vouchers; and

Whereas, tenants, advocates and government officials such as former Congressman Louis Stokes, Mayor Michael White and the entire Cleveland City Council opposed HUD's proposed solution; and

Whereas, Resolution No. 1705-98 was passed unanimously by Cleveland City Council outlining its objections to HUD's plan; and

Whereas, HUD subsequently agreed not to use Section 8 vouchers and not to foreclose on Longwood and Rainbow Apartments; and

Whereas, HUD further agreed to require the owner to sell its interest in both properties; and

Whereas, Fannie Mae, as a limited partner at Longwood, removed its operating partner and replaced them with the Finch Group; and

Whereas, this new partnership was approved by HUD; and

Whereas, HUD agreed with the Finch Group that the mortgage at Longwood would not be paid and that the mortgage portion of the subsidy would go toward emergency repairs and correcting the code violations; and

Whereas, HUD also agreed the Finch Group would develop a long range plan for the complete renovation of Longwood Apartments; and

Whereas, HUD participated in developing the long range plan; and

Whereas, HUD agreed to pay for the implementation of the long range plan with financial assistance from the owners and state and local governments; and

Whereas, before the agreed upon process is completed, HUD now wants to renege on its agreement by declaring a default, to foreclose on Longwood, to give over 800 families Section 8 vouchers, and to demolish Longwood; and

Whereas, HUD again has broken its promise to tenants, advocated and government officials; and

Whereas, HUD has a written agreement with the owners of Rainbow Apartments to sell its interest in Rainbow; and

Whereas, HUD agreed to give the owners of Rainbow Apartments \$1.6 million for selling its interest; and

Whereas, HUD gave the owners at least two extensions on the agreement but no sale has taken place; and

Whereas, HUD continues to pay the owners of Rainbow Apartments management fees and subsidies; and

Whereas, there is no work on the grounds, common areas, and apartments by the owners; and

Whereas, the tenants at Rainbow Apartments have given notice to the owners of a rent strike if maintenance issues are not addressed; and

Whereas, HUD has full knowledge of the conditions and the proposed rent strike, but continues to give the owners managements fees and subsidies; and

Whereas, HUD treats the owner of Rainbow, who is the former owner at Longwood, in a way that continues to make it profitable for them to maintain substandard housing, while at the same time, threatening the loss of homes for over 800 families at Longwood through foreclosure; and

Whereas, the Council of the City of Cleveland is deeply concerned about HUD's practices at Longwood and Rainbow Apartments and requests that there be an investigation of HUD's practices at these properties; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland is deeply concerned about HUD's practices at Longwood and Rainbow Apartments and asks that there be a congressional investigation into HUD's handling of both properties, and that such investigation be done promptly.

Section 2. That HUD keep its promise not to use Section 8 vouchers to displace families and residents from Longwood and Rainbow Apartments.

Section 3. That HUD find suitable owners for both Longwood and Rainbow Apartments, and that HUD act quickly to identify such owners.

Section 4. That HUD ensures that the short term emergency repair work be done immediately.

Section 5. That HUD work with the new owners to develop and institute a long range plan for the complete renovation of Longwood and Rainbow Apartments.

Section 6. Res. No. 1595-99.

By Councilman Zone.

An emergency resolution encouraging Cleveland's EMS and area hospitals to develop, publicize and adhere to strict guidelines for transporting stroke victims to designated stroke treatment centers.

Whereas, according to the Health Systems Agency of North Central Ohio, strokes are the third highest cause of death regionally, following heart disease and cancer; and

Whereas, from 1992 through 1996, residents of Cuyahoga County experi-

enced a death rate due to stroke of 27.3 per 100,000 population, with a higher rate of 39.2 deaths experienced by African Americans; and

Whereas, residents of the City of Cleveland died from a stroke at a rate of 33.5 per 100,000 population in 1996; and

Whereas, many of these deaths could be eliminated and the medical complications arising from strokes could be eliminated with use of a clot dissolving drug called tissue plasminogen activator (TPA), and associated neurological treatment; and

Whereas, since TPA must be administered within three hours of the onset of symptoms to provide benefit to the patient, it is imperative for EMS and medical services providers to act quickly; and

Whereas, in 1997, the National Institutes of Health proposed the following guidelines for sites that seek to care for acute stroke patients: 1) The patient must be seen within 10 minutes of arrival; 2) Cranial CT scanning should be started within 25 minutes; 3) Interpretation of the CT scan by an individual trained in images associated with acute stroke has to be done within 45 minutes; and 4) Intravenous TPA, if appropriate, should be administered within 60 minutes of arrival; and

Whereas, this Council of the City of Cleveland is greatly concerned with the health, safety and welfare of Cleveland residents; and

Whereas, the Council encourages Cleveland's EMS and area hospitals to develop, publicize and adhere to strict guidelines for transporting stroke victims to designated stroke treatment centers that meet the criteria set forth by the National Institutes of Health; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland believes that all residents of the City of Cleveland are entitled to receive quality medical health care and encourages the City's Division of Emergency Medical Services to work with area hospitals to develop, publicize and adhere to a policy of transporting stroke victims to facilities that use TPA and associated neurological treatment in accordance with the guidelines of the National Institutes of Health. EMS is urged to solicit health care plans from area hospitals and to review the performance of those plans to ensure that residents suffering strokes are receiving the best care possible.

Section 2. That the Clerk of Council is hereby requested to transmit a copy of this resolution to the following: Mayor Michael White; Bruce Shade, Commissioner of Emergency Medical Services; and Nancy Roth, Executive Director of HSNCO.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
