**FIRST READING EMERGENCY
ORDINANCES REFERRED**

Ord. No. 1723-07.

By Council Member Sweeney (by departmental request).

An emergency ordinance authorizing the purchase by one or more requirement contracts of office supplies, for the various divisions of City government, for a period of one year with a one-year option to renew.

Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. That the Director of Finance is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a one year period of the necessary items of office supplies, in the approximate amount as purchased during the preceding term, with a one-year option to renew, exercisable by the Director of Finance, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the various divisions of City government. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term.

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of the initial purchase, which purchase, together with all later purchases, shall be made on order of the Commissioner of Purchases and Supplies under a requisition against the contract or contracts certified by the Director of Finance. (RL 121212)

Section 3. That under Section 108(b) of the Charter, the purchases authorized by this ordinance may be made through cooperative agreements using state procedures. The Director of Finance may sign all documents with the State of Ohio or any of its political subdivisions that are necessary to make the purchases, and may enter into one or more contracts with the vendors selected through that cooperative process.

Section 4. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Referred to Referred to Directors of Finance, Law; Committee on Finance.

Ord. No. 1724-07.

By Council Member Sweeney (by departmental request).

An emergency ordinance authorizing the purchase by one or more requirement contracts of miscellaneous-sized steel plates, ready-mix concrete, and building materials, for the various divisions of City government.

Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. That the Director of Finance is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for the term of one or two years for the necessary items of miscellaneous-sized steel plates, ready-mix concrete, and building materials in the approximate amount as purchased during the preceding term, purchased by the Commissioner of Purchases and Supplies on a unit basis for the various divisions of City government. Bids shall be taken in a manner that permits an award to be made for all items as a single contract, or by separate contract for each or any combination of the items as the Board of Control determines. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term. The Director of Finance is authorized to enter into one or more contracts with a term of two years instead of one year when there is a financial advantage to the City. For purposes of this ordinance, a financial advantage shall be determined by the Director of Finance by comparing the bids received for both terms.

Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of the initial purchase, which purchase, together with all later purchases, shall be made on order of the Commissioner of Purchases and Supplies under a requisition against the contract or contracts certified by the Director of Finance. An emergency resolution urging the United States Congress to make fundamental changes needed to enhance and strengthen traditional Medicare.

Whereas, Medicare is an essential national social insurance program that has a major impact on the quality of life for over 43 million Americans young and old; and

Whereas, Medicare provides major funding for the health care of virtually all of our nation's seniors and several million younger adults with permanent disabilities; and

Whereas, additional millions of younger people benefit indirectly by being relieved of a major financial burden when an older member of the family encounters major health expense; and

Whereas, this Council supports Medicare reform based on foundational principals listed below; and

Whereas, Medicare should remain affordable and accessible for all qualified persons; and

Whereas, traditional Medicare should be retained and strengthened; and

Whereas, the percentage of the increase in Medicare premiums should not exceed the percentage of the increase in Social Security benefits; and

Whereas, Medicare should continue to expand and emphasize preventative services; and

Whereas, Medicare beneficiaries should be issued a single card to cover all Medicare or Medicare-related benefits, including prescription drugs; and

Whereas, Medicare should offer a uniform prescription benefit to all beneficiaries at the same cost; and

Whereas, the federal government should be encouraged to negotiate the best prescription drug costs for beneficiaries; and

Whereas, Qualified Medicare Beneficiary Program (QMB), Specified Low-Income Medicare Beneficiaries (SLMB) and Qualified Individual (Q-I 1) programs should be retained as well as existing related benefits through Medicaid; and

An emergency ordinance authorizing the purchase by one or more requirement contracts of labor and materials necessary to repair and maintain catch basin cleaning

trucks, for the Division of Water Pollution Control, Department of Public Utilities.

Be it ordained by the Council of the City of Cleveland:

Section 1. That the Director of Public Utilities is authorized to make one or more written requirement contracts under the Charter and the Codified Ordinances of Cleveland, Ohio, 1976, for the requirements for a one or two-year period of the necessary items of labor and materials necessary to repair and maintain catch basin cleaning trucks, in the approximate amount as purchased during the preceding term, to be purchased by the Commissioner of Purchases and Supplies on a unit basis for the Division of Water Pollution Control, Department of Public Utilities. Alternate bids for a period less than the specified term may be taken if desired by the Commissioner of Purchases and Supplies until provision is made for the requirements for the entire term. The Director of Public Utilities is authorized to enter into one or more contracts with a term of two years instead of one year when there is a financial advantage to the City. Section 2. That the costs of the contract or contracts shall be charged against the proper appropriation accounts and the Director of Finance shall certify the amount of the initial purchase, which purchase, together with all later purchases, shall be made on order of the Commissioner of Purchases and Supplies under a requisition against the contract or contracts certified by the Director of Finance.
