Res. No. 364-15.
By Council Members Brady, Cummins, Reed, Mitchell, Polensek, Cimperman, J. Johnson, Conwell, Keane, Kazy, Pruitt, Dow, Zone, Brancatelli, Cleveland, and Kelley.

An emergency resolution urging the U.S. Congress to consider adding

to The Affordable Care Act, provisions for affordable and effective long term care insurance for the increasing senior population in the United States.

Whereas, long-term care (LTC) is the help someone needs if he or she is no longer able to care for him or herself because of, for example, prolonged physical illness, a disability or cognitive impairment like Alzheimer's disease; and

Whereas, LTC may be provided in a variety of settings, including nursing home care, home health care, respite care, hospice care, adult day care and assisted living facility care; and

Whereas, neither Medicare nor traditional health insurance plans will cover most costs of LTC; and

Whereas, the costs of LTC depend on the level of care needed, where it is given and for how long; in-home care can be up to \$50/hour; nursing home care in Ohio can cost more than \$200/day; and

Whereas, recent federal figures show: Medicaid pays about of all nursing home costs; patients pay out-of-pocket for about 40%; Medicare pays about 10%; and

Whereas, LTC insurance policies cover specific care, but you still need Medicare and/or private health insurance because LTC insurance generally does not pay other medical or hospital bills; and

Whereas, LTC insurance may be one of the most expensive policies a person will ever purchase; a premium will be more than \$1,000/year for a person age 65 or older and is expected to increase in the future; and

Whereas, Medicaid will pay for LTC when you no longer have the resources to pay your own bills; and

Whereas, baby boomers continue to age so that by 2029, when the last round of boomers reaches retirement age, the number of Americans 65 or older will reach more than 71 million - a 73% increase from 2011; and

Whereas, this increase in seniors in the United States who will need LTC necessitates that the federal government find a way to provide for affordable and effective long-term health care; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges the U.S. Congress to consider adding to The Affordable Care Act, provisions for affordable and effective long term care insurance for the increasing senior population in the United States.

Section 2. That the Clerk of Council is hereby directed to transmit copies of this resolution to President Barack Obama, Secretary of Health and Human Services Sylvia Mathews Burwell and all members of the United States Congress.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from

and after the earliest period allowed by law.
