An emergency resolution calling for a moratorium on executions in the State of Ohio, and throughout the United States, until certain enumerated actions are taken.

Whereas, approximately 90% of people charged with capital crimes cannot afford their own attorney; and

Whereas, no state has met standards developed by the American Bar Association for appointment, performance and compensation of counsel for indigent prisoners; and

Whereas, in 1987, in *McCleskey v. Kemp*, the United States Supreme Court refused to act on data demonstrating the continuing reality of racial bias in capital cases; and

Whereas, in a series of rulings since 1991, the U.S. Supreme Court has drastically restricted the rights of death row prisoners to appeal their convictions and death sentences in federal courts, even in cases where prisoners present compelling evidence of innocence; and

Whereas, the American Bar Association has concluded that administration of the death penalty is a "haphazard maze of unfair practices with no internal consistency" and has called for a moratorium on executions; and

Whereas, this Council of the City of Cleveland joins with the American Bar Association in calling for a moratorium on executions in the State of Ohio, and throughout the United States, until certain enumerated actions are taken; now, therefore

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland requests Governor Taft, President Clinton and our representatives in Congress to enact legislation imposing a moratorium on executions in the State of Ohio, and throughout the United States,

until policies and procedures are implemented to: 1) ensure that death penalty cases are administered fairly and impartially in accordance with basic due process; 2) eliminate the risk that innocent persons may be executed; and 3) prevent the execution of mentally disabled persons and people who were under the age of 18 at the time of their offenses.

Section 2. That the Clerk is hereby requested to transmit a copy of this resolution to President Clinton; Governor Taft; Senators DeWine and Voinovich; and Congressmembers Kucinich, Tubbs Jones, La-Tourette and Brown.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

An emergency resolution requesting the Social Security Administration to change the envelope of Social Security recipients to ensure the security and privacy of those recipients.

Whereas, many senior citizens residing in the City of Cleveland receive Social Security benefits from the federal government, benefits that these residents have paid into for years from their income; and

Whereas, this Council of the City of Cleveland believes that senior citizens and others who have contributed to the Social Security system are entitled to their fair return; and

Whereas, this Council also believes strongly in the right to privacy afforded to all American citizens, including the right to keep confidential one's own Social Security number; and

Whereas, the Social Security Administration recently changed the envelope in which they mail checks to Social Security recipients, expanding the address window, thus revealing the Social Security number of the recipient; and

Whereas, the expanded window presents security concerns for our seniors and other recipients of Social Security benefits; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland requests the Social Security Administration to change the envelope of Social Security recipients to ensure the security and privacy of those recipients.

An emergency resolution opposing the decision of MetroHealth Medical Center to terminate its agreement with the Medicaid HMO providers and urging the Commissioners of Cuyahoga County and Governor Taft to review the matter.

Whereas, MetroHealth Medical Center is a large county-operated facility with a number of satellite primary care clinics located throughout Cuyahoga County; and

Whereas, MetroHealth is the largest hospital provider of Medicaid in Ohio, treating about one-third of the 88,000 Medicaid enrollees in Cuyahoga County; and

Whereas, MetroHealth recently announced that, effective February 17, 2001, the hospital facility will refuse to accept payment by patients served by three Medicaid managed-care contracts, namely Emerald HMO; Medical Mutual's SuperMed; and University Hospitals Health System's QualChoice Prime; and

Whereas, this decision by MetroHealth adversely impacts approximately 30,000 residents of Cuyahoga County; and

Whereas, MetroHealth's intended pull-out from the Medicaid HMO program has a detrimental effect on many of the City's most needy citizens, particularly in light of the recent closing of Mt. Sinai Medical Center; and

Whereas, this Council of the City of Cleveland is deeply concerned about the welfare and health of the residents of Cleveland and opposes the decision of MetroHealth to terminate its agreement with the Medicaid HMO providers; and

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council of the City of Cleveland opposes the decision of MetroHealth Medical Center to terminate its agreement with the Medicaid HMO providers and urges the Commissioners of Cuyahoga County and Governor Taft to review the matter to determine a manner in which to offer health care services to the needy residents of Cleveland and Cuyahoga County.
