That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor, otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Res. No. 1705-98.
By Councilmen Jackson, Cimperman, Gordon, Polensek, Westbrook, White, Sweeney, Dolan, Rybka, Lewis, Zone, Cintron, Britt, Patmon, Jones, Willis, Robinson and Melena.
An emergency resolution supporting the Platform developed by the tenants of public and subsidized housing on August 29, 1998 and urging HUD to reconsider its policy that will result in the displacement of 1800 families.

Whereas, the Department of Housing and Urban Development (HUD) is charged with the responsibility of providing safe, sanitary and decent housing for residents throughout the country and in Cleveland; and

Whereas, there are over 11,000 project-based subsidized housing units in Cleveland; and

Whereas, there are over 12,000 public housing units in Cuyahoga County; and

Whereas, approximately 90% of the project-based subsidized contracts will expire in the next five years; and

Whereas, HUD's policy will extend the project-based contracts for only one year at a time once the project-based subsidy contracts expire; and

Whereas, HUD's policy is to use Section 8 vouchers or certificates to house low-income people rather than to subsidize a unit; and

Whereas, HUD is now taking enforcement action against project-based properties that are below housing quality standards (HQS); and

Whereas, it is long overdue that HUD take enforcement action against private owners that have not maintained their property to HQS; and

Whereas, while enforcement actions should be taken, they should not, however, result in displacement of residents; and

Whereas, over 1800 families in Cleveland are threatened with being displaced from their homes through HUD's use of Section 8 vouchers and certificates and through the initiation of enforcement action; and

Whereas, the use of Section 8 vouchers and certificates and the enforcement actions is not solely for the well-being of the housing residents; and

Whereas, the use of Section 8 vouchers and certificates and the enforcement actions are also for political and budgetary reasons; and

Whereas, the Cuyahoga Metropolitan Housing Authority (CMHA) Section 8 department is in disarray; and

Whereas, HUD has sanctioned CMHA's Section 8 department for its inability to process vouchers and its inability to ensure quality housing; and

Whereas, there is not enough quality rental and affordable housing in the Cleveland area to accommodate 1800 families; and

Whereas, neighborhoods and suburban communities are unable or unwilling to absorb the 1800 families; and

Whereas, HUD's policy of using Section 8 vouchers and certificates and its enforcement policy will result in new ghettos, substandard housing, and homelessness; and

Whereas, public housing is a significant portion of available housing for low income people; and

Whereas, public housing is also subject to HUD policy that has budgetary and political motives that are

not in the best interest of low income people; and

Whereas, HUD's desire to abandon low income housing programs will result in the dismantling of public housing; and

Whereas, the long range effect of HUD's policy toward public housing is the displacement of thousands of people from their neighborhoods and communities; and

Whereas, the result of HUD's policy toward public housing will produce the same results associated with project-based subsidized housing, namely the creation of ghettos, substandard housing and homelessness; and

Whereas, in response to HUD's policy and its effects to undermine public and subsidized housing, a Town Hall Meeting was held on August 29, 1998; and

Whereas, the purpose of the Town Hall Meeting was to develop a "Platform" for the tenants of public and subsidized housing and to oppose the immediate displacement of 1800 families; and

Whereas, over 670 people attended the meeting and participated in creating a Platform for public and subsidized housing; and

Whereas, the people that attended the meeting and developed the Platform were from all neighborhoods of Cleveland and from some suburban communities; and

Whereas, the attendees of the Town Hall Meeting were unified in their sincere concern for the 1800 families that are threatened with immediate displacement; and

Whereas, the attendees of the Town Hall Meeting were unified in their strong support of the Platform that was developed; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland supports the objectives of the Platform developed at the Town Hall Meeting on August 29, 1998, as found in File No. 1705-98-A.

Section 2. That this Council strongly requests that HUD reassess its policy and mission in order that 1800 families within the City of Cleveland are not displaced from their homes.

Section 3. That this Council urges HUD and the owners of project-based housing to make all necessary repairs so that the units are safe and up to housing quality standards, and to do so promptly and without displacing any tenants.

Section 4. That this Council is willing to work with HUD on a policy and plan for replacement units before displacement occurs.

Section 5. That the Council of the City of Cleveland believes that public and subsidized housing should be made available to those individuals and families that are in need of federal assistance to ensure safe, sanitary and decent housing for all residents of the City of Cleveland and the surrounding communities.

Section 6. That the Clerk of Council is requested to transmit a copy of this Resolution to Andrew Cuomo, Secretary of Housing and Urban Development and to the Director and Board of the Cuyahoga Metropolitan Housing Authority.

Section 7. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force

immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

 Effective September 26, 1998.

Res. No. 1706-98.
By Councilmen Cimperman, Lewis and Westbrook.
An emergency resolution expressing Council's intent to honor Robert Lockwood, Jr. by naming the roadway between Carter Road and Old River Bend Road "Robert Lockwood, Jr. Way."

Whereas, Robert Lockwood, Jr. is a prominent citizen of Cleveland and is one of the preeminent blues musicians in the country; and

Whereas, Mr. Lockwood is the stepson of blues legend Robert Johnson; and

Whereas, Mr. Lockwood has been inducted into the Blues Hall of Fame; and

Whereas, the Council of the City of Cleveland would like to recognize and honor Mr. Lockwood for his contribution to the music industry and for the entertainment that he has provided for the citizens of Cleveland; and

Whereas, this Council intends to name the roadway between Carter Road and Old River Bend Road "Robert Lockwood, Jr. Way" once it becomes a dedicated street; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That the Council of the City of Cleveland recognizes and salutes Robert Lockwood, Jr. for his contribution to the field of blues music and for the entertainment that he has provided for the citizens of the City of Cleveland, and intends to honor Mr. Lockwood by naming the roadway between Carter Road and Old River Bend Road to "Robert Lockwood, Jr. Way."

Section 2. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
