Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. That, under Section 167 of the Charter of the City of Cleveland, this Council determines to make the public improvement of repairing and improving the Baldwin Treatment Plant Sedimentation Basin's structures and related appurtenances, including site draining (the "Improvement"), for the Division of Water, Department of Public Utilities, by one or more contracts duly let to the lowest responsible bidder or bidders after competitive bidding on a unit basis for the Improvement.

Section 2. That the Director of Public Utilities is authorized to enter into one or more contracts for the making of the Improvement with the lowest responsible bidder or bidders after competitive bidding on a unit basis for the Improvement, provided, however, that each separate trade and each distinct component part of the Improvement may be treated as a separate improvement, and each, or any combination, of the trades or components may be the subject of a separate contract on a unit basis.

Section 3. That the Director of Public Utilities is authorized to apply and pay for permits, licenses, or other authorizations required by any regulatory agency or public authority to permit performance of the work authorized by this ordinance.

Section 4. That the Director of Public Utilities is authorized to employ by contract or contracts one or more consultants or one or more firms of consultants for the purpose of supplementing the regularly employed staff of the several departments of the City of Cleveland in order to provide professional services necessary to design the Improvement.

The selection of the consultants for the services shall be made by the Board of Control on the nomination of the Director of Public Utilities from a list of qualified consultants available for employment as may be determined after a full and complete canvass by the Director of Public Utilities for the purpose of compiling a list. The compensation to be paid for the professional services shall be fixed by the Board of Control. The contract or contracts authorized shall be prepared by the Director of Law, approved by the Director of Public Utilities, and certified by the Director of Finance.

Section 6. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

ADOPTED RESOLUTIONS AND ORDINANCES

Res. No. 1392-2019.
By Council Members Polensek, and Hairston.

An emergency resolution urging the Cleveland Metropolitan School District not to close Collinwood High School, and Iowa-Maple Elementary School.

Whereas, the Cleveland Metropolitan School District (CMSD) has closed approximately twelve schools on Cleveland's northeast side, and is proposing to close or merge ten more, mostly on the east side, Iowa-Maple Elementary School in the Glenville neighborhood, and the historic Collinwood High School; and

Whereas, the Greater Collinwood community, including the Euclid-Green neighborhood is the largest geographical area in the City next to the far west-side, with approximately 34,220 residents, according to the 2017 census; and

Whereas, despite this large community, CMSD proposes closing the landmark Collinwood High School in the heart of greater Collinwood, home to many alumni veterans, with its stand-alone gym, Olympic-size swimming pool, a 1200 plus seat auditorium renovated by General Electric NELA Park, three working elevators, a seven-story iconic tower, and numerous classrooms that make it one of the most unique buildings in CMSD's inventory; and

Whereas, closure of Collinwood High School would end the "Schools as a Neighborhood Resource" initiative located there, an afterschool and summer program that provides recreational and educational opportunities, lunches and meals to students and young adults in partnership with Cleveland Neighborhood Institute and the City; and

Whereas, Collinwood High School is an educational hub, surrounded by fifteen parochial, charter and public elementary schools that are the spokes of this once magnificent educational wheel; the proposed closure will affect the enrollment of these neighborhood pre-K-8 schools without a feeder high school, and based on geography, families will not gravitate to Glenville High School; and

Whereas, closure would also negatively affect housing values in the Collinwood/Nottingham Villages, Euclid-Green neighborhoods, and ultimately the North Shore Collinwood community, and have an adverse economic impact on the Five Points Business District; and

Whereas, as the proposed closure of Collinwood High School is one of the most critical decisions ever facing the northeast side, this Council urges CMSD, Eric Gordon, CEO, and the CMSD Board of Education to reconsider this decision, and work with partner agencies to re-imagine Collinwood, and keep Collinwood High School, and Iowa-Maple Elementary School open for present and future students in the community; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges the Cleveland Metropolitan School District not to close Collinwood High School, and Iowa-Maple Elementary School.

Section 2. That the Clerk of Council is directed to transmit a copy of this resolution to Eric Gordon, Chief Executive Officer, CMSD and Anne Bingham, Board Chair, CMSD Board of Education.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Section 2. That the City is to assume and contribute the entire cost and expense of the Improvement less the amount of Federal funds set aside by the Director of Transportation for the cost of preliminary engineering and detail design.
