Res. No. 1790-01.

By Councilmen Polensek, Dolan, Patmon, Sweeney, Rybka, Brady and Jones.

An emergency resolution urging the President and members of Congress to support legislation that will provide immediate federal funding relief for commercial airlines.

Whereas, the monumental loss of revenue and increases in costs associated with the tragic events of September 11, 2001 have placed the entire commercial aviation industry in severe financial peril, with a loss of over \$1 billion in the three day period in which the carriers were grounded; and

Whereas, a 50% reduction in revenue is anticipated over the next three months; this reduction in revenue is anticipated to amount to \$17 billion by the end of the year; and

Whereas, the commercial airline industry is projecting that initial employee layoffs could exceed 100,000 jobs; and

Whereas, as a hub to Continental Airlines, Cleveland is deeply concerned about the severe negative impact that the schedule and employee reductions may have on Cleveland's economy and that of the Northeast Ohio region; and

Whereas, Cleveland City Council joins with Gordon Bethune, Continental chairman and chief executive officer, in calling on the President and members of Congress to take immediate action to restore stability to the airline industry and urges the federal government to take all necessary steps to assist the airlines in this difficult time, now, therefore

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council is deeply concerned about the financial stability of the commercial airline industry and urges the President and members of Congress to support legislation that will provide immediate federal funding relief for the airlines.

Section 2. That the Clerk of Council is hereby requested to forward a copy of this resolution to President Bush, members of the Ohio congressional delegation and Gordon Bethune, Chairman and CEO of Continental Airlines.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

An emergency resolution condemning last Tuesday's terrorist attacks on the United States of America, supporting the President of the United States in the response to such terrorist activities, commending City employees, especially fire fighters and police officers, for all their hard work of last week, condemning the damage done to the Islamic Center in Parma and urging calm and tolerance from all Americans during this time of trouble.

Whereas, on September 11, 2001, this nation experienced a tragedy of such magnitude the likes of which we have never seen before; and

Whereas, the President of the United States and the leaders of this nation must have the support of all Americans in the pursuit of those who are responsible for the attacks of last Tuesday, and of the eradication of terrorism in this country; and

Whereas, City employees, especially the fire fighters and police officers, worked very hard last week to help alleviate fears in the City and to ensure the safety of Cleveland's citizens; and

Whereas, the damage done to the Islamic Center in Parma was apparently a result of ignorance of the Islamic religion and anger about the tragic events of last week; and

Whereas, in these troubled times, there is no room for intolerance or bigotry and we as Americans must respect all peoples of different nationalities and religions; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council hereby condemns last Tuesday's terrorist attacks on the United States of America, supports the President of the United States in the response to such terrorist activities, commends City employees, especially fire fight-
