## ADOPTED RESOLUTIONS AND ORDINANCES

**Res. No. 1945-96.**  
**By Councilmen Miller and Rokakis (by departmental request).**  
**An emergency resolution authorizing declarations of official intent under U.S. Treasury Regulations with respect to reimbursements from proceeds of tax-exempt obligations for temporary advances made, prior to issuance of those obligations, for payments for airport improvements.**

Whereas, United States Treasury Regulations prescribe conditions under which proceeds of tax-exempt bonds, notes or other obligations used to reimburse advances made for certain expenditures paid before the issuance of such obligations will be deemed to be expended (or properly allocated to expenditures) for purposes of Sections 103 and 141-150 of the Internal Revenue Code of 1986, so that upon such reimbursement the proceeds so used will not further be subject to requirements or restrictions under those sections of the Internal Revenue Code; and

Whereas, certain provisions of those Regulations require that there be a Declaration of Official Intent not later than 60 days, following payment of the expenditure expected to be reimbursed from proceeds of such obligations, and that the reimbursement occur within prescribed time periods after the expenditure is paid or after the property is placed in service; and

Whereas, the City of Cleveland expects to expand and improve its airport facilities at Cleveland Hopkins International Airport to increase and improve the transportation services available to the public; and

Whereas, this Council wishes to take steps to permit those airport improvements to be later financed with tax-exempt obligations in compliance with the above-described United States Treasury Regulations and thereby reduce the cost of those facilities, which obligations are to be authorized by separate and subsequent legislation of this Council; now therefore,

Be it resolved by the Council of the City of Cleveland:

**Section 1. Definitions.** The following definitions apply to the terms used herein:

"Authorized Officer" means the Director of Finance of the City.

"Bonds" means and includes bonds, notes, certificates and other obligations included in the meaning of "bonds" under Section 150 of the Internal Revenue Code of 1986, issued by the City to finance improvements relating to municipal airport operations and related services and activities, including, without limitation, airport revenue bonds, special facility bonds payable solely from rental payments by a lessee and other obligations payable from fees or charges relating to airport operations or related services and activities.

"Declaration of Official Intent" means a declaration of intent, in the form and manner and time contemplated in the Reimbursement Regulations, that the advances for expenditures referred to therein are reasonably expected to be reimbursed from the proceeds of Reimbursement Bonds to be issued after those expenditures are paid.

"Reimbursement" or "reimburse" means the restoration to the City or

to the lessee or other obligor under agreements between that obligor and the City, as the case may be, of money temporarily advanced from other funds and spent for capital expenditures (and certain other types of expenditures qualifying under the Reimbursement Regulations, including any issuance costs for Reimbursement Bonds) before the issuance of the Reimbursement Bonds, evidenced in writing by an allocation on the books and records of the City or the obligor that shows the use of the proceeds of the Reimbursement Bonds to restore the money advanced for the original expenditure. "Reimbursement" or "reimburse" generally does not include the refunding or retiring of Bonds previously issued and sold to, or borrowings from, unrelated entities.

"Reimbursement Bonds" means Bonds the proceeds of which are to be used for reimbursement of such capital or other qualifying expenditures paid before issuance of the Bonds.

"Reimbursement Regulations" means Treasury Regulations Section 1.150-2 and any amendments thereto or superseding regulations, whether in proposed, temporary or final form, as at the time applicable, prescribing conditions under which the proceeds of Reimbursement Bonds when allocated or applied to a reimbursement will be treated as expended for all or any purposes of Sections 103 and 141 to 150 of the Internal Revenue Code.

**Section 2. Authorization and Requirement of Declarations of Official Intent.** The Authorized Officer is authorized to prepare and sign Declarations of Official Intent with respect to capital and other expenditures to which the Reimbursement Regulations apply (and including any costs of issuance of the Reimbursement Bonds) to be made from money temporarily available and which are reasonably expected to be reimbursed (in accordance with applicable authorizations, policies and practices) from the proceeds of Reimbursement Bonds, to make appropriate reimbursement and timely allocations from the proceeds of the Reimbursement Bonds to reimburse such prior expenditures, and to take any other actions as may be appropriate, all at the times and in the manner required under the Reimbursement Regulations to satisfy the requirements for the reimbursement to be treated as an expenditure of such proceeds for purposes of Sections 103 and 141 to 150 of the Internal Revenue Code of 1986. No advance from any fund of account or order for payment may be made for expenditures (other than expenditures excepted from such requirement under the Reimbursement Regulations) that are to be reimbursed subsequently from proceeds of Reimbursement Bonds unless a Declaration of Official Intent with respect thereto is made within the time required by the Reimbursement Regulations. All Declarations of Official Intent heretofore made on half of the City are hereby ratified and adopted. The Director of Finance shall notify the Council of the amount of any expenditures reimbursed from the Reimbursement Bonds pursuant to this resolution.

**Section 3. Open Meeting.** This Council finds and determines that all formal actions of this Council concerning and relating to the adop-

tion of this Resolution were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

**Section 4. Emergency Measure.** This Resolution is declared to be an emergency measure for the immediate preservation of the public peace, property, health and safety of the City by providing authorization to carry out the Declarations of Official Intent, which are necessary to preserve the availability of tax-exempt financing for airport improvements urgently needed for the benefit of the City and, as a result, this Resolution constitutes an emergency measure providing for the usual daily operation of a municipal department, and, provided this Resolution receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Adopted April 14, 1997.  
Effective April 14, 1997.
