**An emergency ordinance authorizing the Director of Public Service to make alterations and modifications in Contract No. 85504 with Fabrizi Trucking and Paving for improvements to Jennings Road from Spring Road to the Jennings Freeway Ramp, for the Department of Public Service.**

Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

**Section 1.** That the Director of Public Service is authorized to make the following alterations and modifications in Contract No. 85504 with Fabrizi Trucking and Paving for improvements to Jennings Road to the Jennings Freeway Ramp, for the Department of Public Service:

**Subsidiary Additions**

1. This project was designed in conjunction with The towpath trail initiative which follows Jennings

Rd. from Crestline Ave. to Harvard Ave. A bike lane and sidewalk are in place to convey the towpath traffic along Jennings Rd. However, a means of conveying pedestrians from the Jennings Rd. section to the Harvard Ave. bridge was overlooked during design. In order to complete this aspect of the Jennings Rd. Project, 1100 ft of new sidewalk on the south side of Harvard Ave. is required.

Estimated cost: \$ 35,000.00

2. The draining near Bradley Rd. does not function properly as designed and installed. Two additional catch basins are necessary on the east side of Jennings north of Bradley Rd. in order to handle the expected flow. Also, the existing catch basin behind the sidewalk on the west side of Jennings Rd. near Bradley needs improvements in order to alleviate occasional flooding during heavy rain due to a large runoff area. A new 24" lateral and a new high capacity inlet grate are required in order to handle the expected flow.

Estimated cost: \$ 30,072.00

3. As W. 11th approaches Jennings Rd., it descends a steep hill. The profile of this hill as designed resulted in a large grade break at the intersection with Jennings and did not allow for safe vehicle passage. A revised design was received for this area from the Consultant and in order to construct this transition properly, the limits of construction need to extend further up the hill on W. 11th St. Additional layout, excavation and pavement will be necessary to construct in accordance with the revised design.

Estimated cost: \$ 35,000.00

TOTAL SUBSIDIARY ADDITIONS	\$ 100,072.00
----------------------------	---------------

Original Contract Amount	\$4,436,785.35
Total Subsidiary Additions	+100,072.00
REVISED CONTRACT AMOUNT	\$4,536,857.35

which alteration has been recommended in writing by the Director of Public Service, countersigned by the Mayor, and consented to by the surety on the contract, which price to be paid has been agreed on in writing and signed by the Director of Public Service and the Contractor. This alteration will cause an increase in the amount of the original contract in the sum of \$100,072.00, payable from Fund Nos. 20 SF 364, 20 SF 373, 20 SF 380, 20 SF 383, 20 SF 394, 20 SF 486, 20 SF 500, 20 SF 506 and 20 SF 510, Request No. 175436.

**Section 2.** That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Referred to Directors of Public Service, Finance, Law; Committees on Public Service, Finance.

**Ord. No. 1536-07.**  
**By Council Members Polensek, Brady, Cimperman and Sweeney (by departmental request).**

**An emergency ordinance giving consent of the City of Cleveland to the Ohio Department of Transportation for replacing or installing traffic signals at various intersections along East 200th Street in the Cities of Cleveland and Euclid; authorizing the Director of Public Service to enter into any relative agreements.**

Whereas, this ordinance constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

**Section 1.** That it is declared to be in the public interest that the consent of the City of Cleveland is given to the Ohio Department of Transportation ("the State") to construct the following improvement under plans, specifications, and estimates approved by the State: replacing or installing traffic signals at various intersections along East 200th Street in the Cities of Cleveland and Euclid (the "Improvement").

**Section 2.** That the City gives its consent to the Improvement and its administration by the State, provided that this ordinance shall not be construed to impose any financial obligation on the City for the Improvement. However, the City agrees to assume and contribute 100% of the cost of any items included in the construction contract, at the request of the City, which are determined by the State not eligible or made necessary by the Improvement.

**Section 3.** That the Director of Public Service is authorized to enter into one or more agreements with the State necessary to complete the planning and construction of the Improvement, which agreements shall contain terms and conditions that the Director of Law determines shall best protect the public interest.

**Section 4.** That on completion of the Improvement, the City will maintain the right-of-way and keep it free of obstructions, and hold the right-of-way inviolate for public highway purposes.

**Section 5.** (a) That the City agrees to acquire and/or make available to the State, under current State and Federal regulations, all necessary right-of-way required for the Improvement. The City also understands that right-of-way costs include eligible utility costs.

**An emergency resolution congratulating the people of our Sister City of Bahir Dar, Ethiopia, and the Amhara National Regional State on the occasion of the second millennium of Ethiopia on September 12, 2007.**

Whereas, Ethiopia is a proud country with a long, rich history; and

Whereas, the earliest known hominid, internationally known as Lucy and classified as Australopithecus Afarensis, was found in Ethiopia by a team from the Cleveland Museum of Natural History in 1974; and

Whereas, Ethiopia is the only country in Africa that was never colonized, with the exception of the 5 years of occupation by the government of Italy; and

Whereas, legend is written of the Queen of Sheba, known as Maq'da in Ethiopia, who journeyed to visit King Solomon, returned to Ethiopia and gave birth to Solomon's son who subsequently became the first Emperor of Ethiopia, Menelik I; and

Whereas, in 330 A.D. Ethiopia was proclaimed a Christian empire; and

Whereas, in the 9th century Ethiopians discovered coffee in the region called Kaffa; and

Whereas, the first Christian Monastery on Lake Tana, Ethiopia's largest lake, was the island church of Sana Qirqos founded during the latter part of the 13th century; and

Whereas, in 1889 King Menelik II of Shoa became Emperor of Ethiopia and ruled until 1913 with the able assistance of his wife, Empress Taytu; and

Whereas, the proud and courageous people of Ethiopia under Menelik II and Taytu defeated the invading Italian army in the Battle of Adwa in 1896; and

Whereas, United States-Ethiopian relations were established on December 27, 1903, by Emperor Menelik and President Theodore Roosevelt; and

Whereas, in 1930, Ras Tafari Mekonnen was crowned as Emperor Haile Selassie of Ethiopia; and

Whereas, Emperor Haile Selassie modernized Ethiopia, kept the country united and largely peaceful; and

Whereas, Ethiopia played a pivotal role in creating the Organization of African Unity (OAU), which was founded on May 25, 1963; and

Whereas, Addis Ababa, Ethiopia, became the headquarters of the OAU and remains the headquarters of its successor, the African Union; and

Whereas, in 1974, Emperor Haile Selassie was ousted from power through a military junta known as the Derg; and

Whereas, in May 1991, the brutal dictatorship of the Derg came to an end after a 17-year reign of terror; and

Whereas, since then, the Ethiopian-American community has grown to become the second largest African immigrant group in the United States; and

Whereas, the capital of the Amhara National Regional State of Ethiopia is the beautiful City of Bahir Dar, on the southern shore of Lake Tana; and

Whereas, the City of Bahir Dar arose in the middle ages around St George Orthodox Church from a cluster of previously pagan villages along the shore of Lake Tana, situated at the mouth of the famous Abay River (Blue Nile), with the thunderous Tis Abay (Blue Nile Falls) 30 km downstream; and

Whereas, the City has 26 medieval island and lakeside Orthodox church monasteries, beautifully painted with the lives of the saints, surviving to this day in continual use - living 'museums' of the rich heritage of Ethiopia; and

Whereas, it is home to the Waito people who continue to build the Nile reed boats, known as 'Tanqua', which have been in constant use on the Nile River and Lake Tana since antiquity; and

Whereas, the City began a period of modernization during the bitterly resisted Italian occupation of 1936-41; and was home to Belay Zallaqa, a charismatic leader of the resistance against the Italian occupation, whose statue stands in the center of Bahir Dar; and

Whereas, Bahir Dar has a current population of 250,000 with an annual growth rate of over 7%, and has a fully developed Mayoral and City Council Government, with a recently completed Bahir Dar Integrated Development Plan; and

Whereas, it is a destination and hub of the popular Ethiopian Historical Route Tour; and

Whereas, it is home of Bahir Dar University, founded in 1999 by the union of the School of Pedagogy and the Polytechnic Institute, now with

a fulltime student enrollment of over 15,000 and faculty of almost 900; and

**An emergency resolution calling upon the Ohio General Assembly to create and support legislation to offer educational assistance to all Ohio veterans.**

Whereas, many veterans currently serving our country have put their college educations on hold until returning from active duty; and

Whereas, by law in Ohio, public and private colleges and universities are required to grant leave to students called to active duty and to either refund or offer credit for tuition paid; and

Whereas, with the exception of the Ohio National Guard, which offers 100% tuition assistance, the State of Ohio does not offer any assistance to its active duty veterans to obtain higher education; and

Whereas, many other states, including Texas, Minnesota, Wisconsin and New York, offer monetary assistance to its active duty veterans to pursue a college education, which assistance often includes 100% tuition payment; and

Whereas, these and other states help fill the gap left by federal assistance in aiding veterans to achieve a higher education; and

Whereas, it is only right that the State of Ohio come to the assistance of its veterans seeking a college education;

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

**By Council Members Pierce Scott and Cummins.**

**An emergency resolution supporting the Home Ownership and Equity Protection Act (HOEPA) that instructs the Federal Reserve Board to protect consumers from predatory lending.**

Whereas, the sub-prime lending industry has grown rapidly in Cleveland during the last few years; and

Whereas, some mortgage brokers and sub-prime lenders aggressively market high-cost home loans that borrowers are unable to repay and engage in other unfair credit practices that strip retirees and working families of the equity they have in their homes; and

Whereas, approximately 80% of sub-prime loans have adjustable interest rates that will increase after two years;

Whereas, sub-prime lenders have made these adjustable rates mortgages without regard for whether the borrower will be able to afford the payments after the rate increases;

Whereas, many borrowers with adjustable rate sub-prime loans were never given a choice between an adjustable or fixed rate or were promised a fixed rate but given an adjustable rate;

Whereas, approximately 70% of the sub-prime loans were refinancing loans for families who had already bought a home; and

Whereas, more than two-thirds of sub-prime loans have prepayment penalties, compared to just 2% of prime loans

Whereas, prepayment penalties trap borrowers into sub-prime loans with high or adjustable rates and strip their equity; and

Whereas, less than half of all sub-prime loans include taxes and insurance in the monthly payment; and

Whereas, many borrowers of sub-prime loans want to have their taxes and insurance included in their monthly payment, and many borrowers have been misled to believe their payment includes taxes and insurance; and

Whereas, many borrowers end up in foreclosure when they have to make a lump sum payment of their taxes and insurance; and

Whereas, these practices are commonly referred to as "predatory lending"; and

Whereas, these predatory loans have led to an increase in foreclosure rates which hurts the families who are losing their homes as well as the neighborhoods where there are a concentration of foreclosed homes; and

Whereas, these vacant homes attract crime and cost Cleveland money in crime prevention and the deterioration of neighborhoods; and

Whereas, many families have not had an opportunity to modify their loans to make them affordable; and

Whereas, the federal Home Ownership and Equity Protection Act (HOEPA) instructs the Federal Reserve Board to protect consumers from predatory lending (15 U.S.C. §1639 (L) (2)); and

Whereas, any regulations issued by the Federal Reserve Board would have the same effect as law and would cover all mortgage lenders in the country;

Whereas, this Council calls on the Federal Reserve Board to use its authority to: 1) prohibit lenders from making mortgages that quickly become unaffordable after the interest rate increases; 2) stop the misuse and abuse of stated income

loans; 3) eliminate prepayment penalties on subprime loans; and 4) designate the failure to escrow taxes and insurance in subprime loans as an unfair and deceptive practice; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

**Section 1.** That this Council supports the Home Ownership and Equity Protection Act (HOEPA) that instructs the Federal Reserve Board to protect consumers from predatory lending.

**Section 2.** That the Clerk of Council is hereby directed to transmit certified copies of this resolution to Senator Dodd, Association of Community Organizations for Reform Now (ACORN), and Mayor Frank Jackson.

**Section 3.** That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
