Whereas, under Resolution No. 699-15, adopted July 22, 2015, this Council, among other things, approved the expansion of the Downtown Cleveland Improvement District (the "District"); and

Whereas, under Resolution No. 700-15, adopted July 22, 2015, this Council determined and declared it necessary and conducive to the public health, convenience and welfare of the City to provide, among other things, additional security for the District, additional cleaning and maintenance of the public rights-of-way within the District, and collective economic development and marketing of the District (collectively, "District Services"), and thereby provided for the assessment of the cost of such work upon benefited property in the District; and

Whereas, under Resolution No. 883-15, adopted August 19, 2015, the

Assessment Equalization Board (the "Board") was appointed to hear and determine all objections concerning the estimated assessments under Resolution No. 700-15, to provide for the benefits listed above in the District; and

Whereas, the Board has filed its report with this Council as to its determination of the objections; and

Section 4. That judicial inquiry into all claims for damages resulting from the District Services filed under law shall occur after completion of the District Services.

Section 5. That the cost of the District Services to be assessed against benefited property shall be assessed in the amount, manner and number of installments as provided for in the Resolution of Necessity, as equalized by the Board and this Council.

Section 6. That the Final List of Equalized Assessments, as equalized by the Board and this Council, for the cost of the District Services, placed in the file mentioned above and aggregating \$20,818,907.73 is adopted and confirmed as final assessments.

Section 7. That the final assessments shall be assessed and levied on the lots and lands benefited and to be charged therewith in the District in proportion to the benefits as described in the Resolution of Necessity.

Section 9. That the Clerk of Council is directed to continue to file in her office a list of the assessments and the description of the lots and lands.

Section 10. That the first year installment against each lot and parcel of land shall be payable in cash to the Commissioner of Assessments and Licenses of the City on or before January 15, 2016. The second through fifth annual installments shall be payable in cash on or before January 15 in each of the years 2017 through 2020. All assessments and installments which have not been paid shall be certified by the Clerk of Council to the County Auditor on or before September 1 of each year, to be placed by him on the tax duplicate and collected the same as other taxes, as provided by law.

Section 11. That the Clerk of Council is directed to deliver a certified copy of this ordinance to the County Auditor within fifteen (15) days after the passage of this ordinance, or as otherwise required by Section 319.61 of the Revised Code.

Section 12. That the Clerk of Council is directed to cause notice of the levy of the assessments to be filed with the County Auditor within twenty (20) days following the passage of this ordinance, or as otherwise required by Section 319.61 of the Revised Code.

Section 13. That the Clerk of Council is directed to cause a notice of the passage of this ordinance to be published once in a newspaper of general circulation in this City.

Res. No. 1134-15.
By Council Members Polensek, J. Johnson and Conwell.

An emergency resolution urging the U.S. Environmental Protection Agency to investigate the cause of continued water contamination at Villa Angela Beach and Euclid Beach.

Whereas, these past summer months the water quality conditions at Villa Angela Beach and Euclid Beach have been consistently poor; at the end of August the probability that E. coli exceeded safe levels was at nearly 86%; and

Whereas, often the water quality at other beaches in Cleveland and the surrounding counties is good, while the water quality at Villa Angela and Euclid beaches remains poor; and

Whereas, the Natural Resources Defense Council has found that seven of the nation's 17 worst "repeat offenders" with persistent contamination problems are located on Lake Erie, with five beaches in Cuyahoga County; and

Whereas, Villa Angela Beach and Euclid Beach are on the list of those repeat offenders with the worst water quality every year for the past five years; and

Whereas, when water quality is always poor, area residents cannot take advantage of cooling off at their neighborhood beaches in the hot summer months; and

Whereas, it is incumbent upon federal officials to determine what is causing the consistent contamination of Lake Erie's water at Villa Angela and Euclid beaches which are the only swimming beaches on Cleveland's east side; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges the U.S. Environmental Protection Agency to investigate the cause of continued water contamination at Villa Angela Beach and Euclid Beach.

By Council Members Kelley, Cleveland, Pruitt, Reed, Cimperman, K. Johnson, Mitchell, Dow, Polensek, Conwell, J. Johnson, Brady, Brancatelli, Cummins, Zone, Kazy and Keane.

An emergency resolution urging Governor Kasich to accept the federal waiver of time limits on food aid for as many counties and cities in Ohio as possible.

Whereas, between 2012 and 2014, 7.5% of Ohio households experienced "very low food security" up from the state's 6.4% average from 2009 to 2011, and worse than every state but Arkansas and Missouri; and

Whereas, Ohio ranks third in the nation, tied with Mississippi, for people in "severe food insecurity"; and

Whereas, when the economy is strong, the federal government places time limits on food aid for job-seekers who are not disabled, elderly or parents with custody of minor children; and

Whereas, the federal government allows waivers of time limits on food aid when economies are struggling; and

Whereas, Ohio qualified for a statewide waiver of food aid time limits but for the past two years the state government has rejected that waiver for most Ohio counties; in 2014, only 16 counties and in 2015, 17 counties - all of them rural - were allowed the waiver; and

Whereas, in those years, because Ohio rejected the statewide waiver, more than 70% of those who lost their food aid live in urban counties; excluding cities means that many Ohioans are subject to time limits on food aid; and

Whereas, people in Ohio continue to struggle under a weak economy and, although a the state government has accepted the federal waiver for some rural counties for 2016, it has rejected extending the waiver to other counties and cities that otherwise qualify; and

Whereas, with an 8.5% unemployment rate - more than 20% above the national average - the city of Cleveland is eligible for a waiver; and

Whereas, Ohio should maximize access to federal food aid by accepting the federal waiver of food stamps for as many counties and cities as possible, to help those still struggling in the economic recovery; and

Whereas, this resolution constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges Governor Kasich to accept the federal waiver of time limits on food aid for as many counties and cities in Ohio as possible.

Section 2. That the Clerk of Council is directed to forward copies of this resolution to

Governor John Kasich and all members of the Ohio legislature.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
