An emergency resolution encouraging and supporting the creation of a 511 traveler information system for the State of Ohio; encouraging the State of Ohio to implement a 511 traveler information system; and encouraging the Director of the Ohio Department of Transportation to submit a grant application for 511 planning.

Whereas, in July of 2000, the Federal Communications Commission designated 511 as the national traveler information phone number; and

Whereas, 511 is an easy to remember telephone number that provides traveler information; and

Whereas, 511 enables travelers to access accurate, up-to-the-minute information about local highway and public transportation options and current travel conditions, and

Whereas, traveler information systems, such as 511, help to balance demand on transportation systems; and

Whereas, implementation of a 511 traveler information system is the responsibility of state governments; and

Whereas, the United States Department of Transportation is offering grants to support 511 planning and such grants are available to a state's Department of Transportation; and

Whereas, this Council encourages and supports the creation and development of a 511 traveler information system for the State of Ohio; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Res. No. 41-03.

By Council Members Coats and Reed.

An emergency resolution opposing the profiling of suspects based solely upon race, ethnic origin, religion, or other similar factor and encouraging the federal government to assist local law enforcement agencies in their efforts to provide education and training for law enforcement officers regarding appropriate investigative and enforcement techniques.

Whereas, all Americans have a right to expect equal treatment by law enforcement offices, prosecuting authorities, judges and correctional officials; and

Whereas, discriminatory enforcement of criminal laws has a corrosive effect on American cities and towns, undermines the confidence of the community in law enforcement, and interferes with efforts to prevent crime and prosecute offenders; and

Whereas, unfortunately, our country has a long history of disparate treatment in our criminal justice system; and

Whereas, numerous studies confirm that racial minorities, especially African Americans and Latinos, are more likely to be arrested, more

likely to be prosecuted and more likely to be incarcerated for offenses that whites accused of the same crime; and

Whereas, the City of Cleveland supports federal legislation and action which eliminates discrimination in the enforcement of our criminal justice system; and

Whereas, the City of Cleveland opposes profiling of suspects based solely on race, ethnic origin, religion, or other similar factor; and

Whereas, the Council encourages the federal government to assist local law enforcement agencies in their efforts to provide education and training for law enforcement officers regarding appropriate investigative and enforcement techniques; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council opposes profiling of suspects based solely upon race, ethnic origin, religion, or other similar factor.

Section 2. That this Council encourages the federal government to assist local law enforcement agencies in their efforts to provide education and training for law enforcement officers regarding appropriate investigative and enforcement techniques.

Section 3. That the Clerk of Council is hereby directed to transmit copies of this resolution to U.S. Senator Michael DeWine, U.S. Senator George Voinovich, Congressman Dennis Kucinich, and Congresswoman Stephanie Tubbs-Jones.

Section 4. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Adopted January 13, 2003.

Effective January 15, 2003.

Res. No. 47-03.

By Council Members Westbrook, Reed, Sweeney and Coats.

An emergency resolution encouraging the Transportation Security Administration to reconsider and review Security Directive SD 1542-02-03A to determine if exceptions may be granted under certain circumstances and encouraging the U.S. Senate and U.S. House of Representatives to pass legislation granting exceptions to Security Directive SD 1542-02-03A when certain conditions are met.

Whereas, the Department of Transportation, Transportation Security Administration ("TSA") issued Security Directive SD 1542-02-03A on November 8, 2002; and

Whereas, this Security Directive requires all airport operators to conduct certain security measures for each employee of a vendor

working in a sterile area of the airport and for each airport operator employee who works in a sterile area; and

Whereas, airport operators were required within ten (10) calendar days of receipt of the Security Directive to submit information, including an employee's name, social security number, date of birth, city and state of birth, and current residential address, to the Aviation Security Clearinghouse for all employees who work in the sterile area of an airport; and

Whereas, security staff at Cleveland Hopkins International Airport compiled and submitted the requested information for more than seven hundred (700) vendor employees; and

Whereas, Cleveland Hopkins International Airport received a criminal background check report for each individual whose name and information was submitted to the Aviation Security Clearinghouse; and

Whereas, any employee convicted of one or more of the disqualifying offenses is prohibited from accessing a sterile area of the airport; and

Whereas, fifteen (15) vendor employees at Cleveland Hopkins International Airport were convicted of a disqualifying offense; and

Whereas, such employees are prohibited from accessing a sterile area of Cleveland Hopkins International Airport and, therefore, these fifteen (15) vendor employees were either fired or forced to resign; and

Whereas, several of these employees were convicted of a disqualifying offense several years ago; and

Whereas, several of these employees have been model employees for several years and the TSA's Security Directive appears to be unfair and unnecessarily restrictive as applied to these employees; and

Whereas, in these instances, the effect of the TSA's Security Directive is contrary to the spirit of fair employment; and

Whereas, this Council feels that individuals who have paid their debt to society for a criminal offense should be permitted the opportunity to obtain gainful employment; and

Whereas, this Council encourages the TSA to reconsider and review Security Directive SD 1542-02-03A to determine if exceptions may be granted under certain circumstances; and

Whereas, this Council encourages the U.S. Senate and U.S. House of Representatives to pass legislation granting exceptions to Security Directive SD 1542-02-03A when certain conditions are met; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council encourages the TSA to reconsider and review Security Directive SD 1542-02-03A to determine if exceptions may be granted under certain circumstances.

Section 2. That this Council encourages the U.S. Senate and U.S.

House of Representatives to pass legislation granting exceptions to Security Directive SD 1542-02-03A when certain conditions are met.

Section 3. That the Clerk of Council is hereby directed to transmit copies of this resolution to President George Bush, U.S. Senator Michael DeWine, U.S. Senator George Voinovich, Congressman Dennis Kucinich, Congresswoman Stephanie Tubbs-Jones, Congressman Steven LaTourette, Congressman Sherrod Brown, Congressman Ralph Regula, and the Secretary of the United States Department of Transportation.

Section 4. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Section 3. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Passed January 13, 2003.
Effective January 15, 2003.

Ord. No. 8-03.
By Council Members Westbrook,
Cimperman and Jackson (by depart-
mental request).

An emergency ordinance to authorize the issuance and sale of subordinated Airport Revenue Notes in the aggregate principal amount not to exceed \$48,500,000, in anticipation of the issuance of Bonds, to retire outstanding notes issued to pay costs of acquiring real property and interests in real property for the purpose of improving the airport system.

Whereas, under authority of Ordinance No. 492-01 passed by the Council on April 30, 2001, the City issued \$44,950,000 Taxable Airport Surplus Revenue Notes, Series 2001 (the "Outstanding Notes") to retire an original issue of notes authorized by Ordinance No. 78-99 passed January 14, 1999 and issued for the purpose of acquiring real property and interests therein for the future expansion of Cleveland Hopkins International Airport; and

Whereas, the Outstanding Notes may be redeemed prior to maturity on March 1, 2003, and the City has determined that redeeming the Outstanding Notes on that date will enable the City to achieve debt service savings, based on the current conditions in the financial markets, and, as a result, the City has determined to issue the Notes authorized by Section 3 to provide funds to redeem the Outstanding Notes on March 1, 2003 or, if that is no longer advantageous, to retire the Outstanding Notes at maturity on June 1, 2003; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. Definitions. In addition to the words and terms elsewhere defined in this Ordinance, unless the context or use clearly indicates another or different meaning or intent:

"Airport" means Cleveland Hopkins International Airport, as it now exists or hereafter may be changed, modified, or expanded.

"Airport System" means the Airport and Burke Lakefront Airport, as they now exist or hereafter may be changed, modified or expanded.

"Book entry form" or "book entry system" means a form or system under which (i) the ownership of book entry interests in Notes and the principal of and interest on the Notes may be transferred only through a book entry, and (ii) physical Note certificates in fully registered form are issued by the City only to a Depository or its nominee as registered owner, with the Notes "immobilized" in the custody of the Depository. The book entry maintained by others than the City is the record that identifies the owners of book entry interests in those Notes and that principal and interest.

"Certificate of Award" means, the certificate authorized by Section 11, to be signed by the Director of Finance, setting forth and determining those terms or other matters pertaining to the Notes and their issuance, sale, and delivery, as this Ordinance requires or authorizes to be set forth or determined therein.

"Continuing Disclosure Certificate" means, collectively, the certificate or certificates authorized by Section 14, which, together with the

agreements of the City set forth in that Section, shall constitute the continuing disclosure agreement made by the City for the benefit of the holders and book entry owners of the Notes in accordance with the Rule.

"Credit Support Instrument" means a letter of credit, an insurance policy, or other credit enhancement or liquidity device provided to enhance the security or liquidity of the Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of book entry interests in Notes or the principal and interest, and to effect transfers of Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

"Financial Advisor" means with respect to the Notes or any hedging transaction authorized by this Ordinance, Government Capital Management, L.L.C. or Columbia Equity Financial Corp., or any financial advisory firm or firms retained by the City, from time to time, acting jointly or singly.

"Indenture" means the Trust Indenture, dated as of November 1, 1976, between the City and J.P. Morgan Trust Company, National Association (as successor to The Cleveland Trust Company), as Trustee, together with all supplements thereto.

"Note Proceedings" means, collectively, this Ordinance, the Certificate of Award, the Purchase Agreement, any trust agreement, any Continuing Disclosure Certificate, and such other proceedings of the City, including the Notes, that provide collectively for, among other things, the rights of holders and beneficial owners of the Notes.

"Original Purchaser" means the original purchasers of the Notes: Bear Stearns & Co. Inc., Banc One Capital Markets, Inc. and Apex Pryor Securities.

"Participant" means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

"Project" means the acquisition of real property and interests in real property for the purpose of improving the Airport System.

"Rule" means Rule 15c2-12, prescribed by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

"Subordinated Airport Revenue" means the Airport Revenue (as defined in the Indenture) deposited in the Surplus Fund and/or the Improvement Fund (both Funds as created under Section 5.02 of the Indenture), subject to any requirements of the Use Agreements (as defined in the Indenture) for the approval by the Airlines (as defined in the Indenture) of, or lack of objection by the Airlines to, the use by the City of such deposits for the Project.

Any reference herein to the City or the Council of the City, the Mayor, the Director of Finance, the Director of Law, the Clerk of Council, or any other officers of the City,

shall include those who or which succeed to the functions, duties, or responsibilities thereof pursuant to or by operation of law or who or which are lawfully performing such functions, duties, or responsibilities.

Unless the context shall otherwise indicate, words importing the singular number shall include the plural number, and vice versa.

Section 2. The Bonds. It is necessary to issue bonds of this City in an aggregate principal amount not to exceed \$48,500,000 (the "Bonds") to pay a portion of the costs of the Project, including costs of issuance of the Bonds, to adequately fund any debt service reserve fund that may be established pursuant to Section 12, and to retire the Notes (as defined in Section 3 below). Interest on the Bonds shall be payable semi-annually until the principal amount is paid. The Bonds are estimated to mature in 25 annual principal installments that are in such amounts that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable are substantially equal. The Bonds will be subordinated revenue obligations of the City, the principal of and interest on which will be secured solely by, and payable solely from, Subordinated Airport Revenue. The Notes may be retired from the proceeds of obligations issued other than the Bonds or from other moneys available for such purpose. The Bonds or other obligations that may be issued to retire the Notes will have such terms as are provided in a subsequent ordinance of this Council authorizing their issuance and sale.

Section 3. Issuance of Notes. It is necessary for the reasons set forth in the preambles to this Ordinance, and this Council determines, that notes in the aggregate principal amount not to exceed \$48,500,000 (the "Notes") shall be issued in anticipation of the issuance of the Bonds, the proceeds of which will be used to retire the Outstanding Notes and may be used, if and to the extent so provided in the Certificate of Award, to pay costs of any Credit Support Instrument with respect to the Notes, to fund interest on the Notes and any debt service reserve fund established under Section 12, and to pay costs of issuance of the Notes. The Notes shall be issued in the aggregate principal amount not to exceed \$48,500,000 that is determined by the Director of Finance in the Certificate of Award to be required to be issued for the purposes stated above in this Section, taking into account other moneys available for such purposes. The Notes shall be dated the date of issuance or such other date as is designated in the Certificate of Award. The Notes shall mature on a date to be determined by the Director of Finance in the Certificate of Award in accordance with his determination of the best interest of and financial advantages to the City, provided that such date shall not be later than five years from the date of issuance of the Notes.

Section 4. Interest. The Notes shall bear interest from their date at the rate per annum set forth in the Certificate of Award, or if any Notes

bear interest at a variable rate, at the rate determined pursuant to the method set forth in the Certificate of Award. Interest on the Notes shall be payable on the dates determined by the Director of Finance in the Certificate of Award and until the principal amount is paid or payment is provided for. If any Notes bear interest at a fixed rate, that rate shall not exceed six percent (6%) per year (computed on the basis of a 360-day year consisting of twelve 30-day months) and interest shall be payable not more often than every six months and at maturity or at any earlier redemption date. If any Notes bear interest at a variable rate or rates, those rates shall not exceed that set forth in Section 5, and interest shall be payable not more often than once a month and following purchase and at maturity or at any earlier redemption date.

Section 5. Variable Rate Notes. In the event that the Director of Finance determines that the City's best interests will be served by causing all or a portion of the Notes to be obligations bearing interest at variable rates, redeemable by the City without penalty or premium on interest adjustment dates, then the Director of Finance is authorized to so specify in the Certificate of Award. If the Director of Finance so determines, then the Director of Finance shall specify in the Certificate of Award the method and procedure by which the variable rate of interest to be borne by the variable rate Notes shall be determined, whether by reference to a market index, by auction, by a remarketing agent or otherwise; provided that the variable rate Notes shall not bear interest at a rate in excess of twelve percent (12%) per annum. That maximum interest rate shall not apply to variable rate Notes during any period those Notes are held by a provider of a Credit Support Instrument because they could not be remarketed and the terms of the Credit Support Instrument do not permit such a maximum rate of interest. Holders of variable rate Notes may be given the right to tender their variable rate Notes for purchase by the City at the times, on the terms, and subject to the conditions set forth in the Certificate of Award and any tender agreement; provided that tender rights shall be exercisable only at such times as a Credit Support Instrument is in place that provides for the payment of the purchase price payable to the tendering holder of a variable rate Note. If the Director of Finance designates any Notes as variable rate Notes, and if the holders of the variable rate Notes are to be entitled to tender the variable rate Notes for purchase, then the Director of Finance shall also designate in the Certificate of Award for those variable rate Notes the provider or providers for any Credit Support Instrument, the tender agent or agents and the remarketing agent or agents, which designations shall be based on the determination of the Director of Finance that the parties so designated possess the requisite resources and experience to provide the services required of them and that the terms on which the designated parties have agreed to provide

such services are fair and commercially reasonable. The Director of Finance is authorized to enter into agreements in connection with the delivery of the variable rate Notes, and from time to time thereafter so long as the variable rate Notes are outstanding, with providers of Credit Support Instruments, tender agents (which may be the Registrar), remarketing agents, auction agents and others as may be determined by the Director of Finance to be necessary or appropriate to provide for the method of determining the variable interest rates, permitting holders the right of tender, providing for liquidity or credit support for the payment of the variable rate Notes upon tender for purchase or redemption, and providing for the repayment by the City of any amounts drawn under the Credit Support Instrument.

The Director of Finance, in connection with the original issuance of the Notes, and regardless of the Notes bearing interest at variable or fixed rates, is authorized to contract for a Credit Support Instrument, and to pay the costs of it from proceeds of the Notes, if he determines that the Credit Support Instrument will result in a savings in the cost of this financing to the City.

Section 6. Payment of Debt Charges on the Notes; Redemption.

The debt charges on the Notes shall be payable in lawful money of the United States of America, or in Federal Reserve funds of the United States of America as determined by the Director of Finance in the Certificate of Award, and shall be payable, without deduction for services of the Registrar (as defined in Section 7) as the City's paying agent. If agreed to by the Original Purchaser, the Notes shall be subject to redemption without penalty or premium at the option of the City in whole or in part at any time prior to maturity as provided in the Certificate of Award and this Ordinance.

If fewer than all of the Notes of a single maturity are to be redeemed, the selection of Notes of that maturity to be redeemed, or portions thereof in amounts of the minimum authorized denomination or any integral multiple thereof, shall be made by lot in a manner determined by the Registrar. In the case of a partial redemption of Notes by lot when Notes of denominations greater than the minimum authorized denomination are then outstanding, each unit of principal thereof in the amount of the minimum authorized denomination shall be treated as if it were a separate Note of the denomination of the minimum authorized denomination. If it is determined that one or more, but not all, of the units of principal amount in the amount of the minimum authorized denomination represented by a Note are to be called for redemption, then, upon notice of redemption of such unit or units, the registered owner of that Note shall surrender the Note to the Registrar (i) for payment of the redemption price of such unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption), and (ii) for issuance, without charge to the reg-

istered owner, of a new Note or Notes of any authorized denomination or denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Note surrendered.

The notice of the call for redemption of Notes shall identify (i) by designation, letters, numbers, or other distinguishing marks, the Notes or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Registrar on behalf of the City by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Note subject to redemption in whole or in part at the registered owner's address shown on the Note Register (as defined in Section 7) maintained by the Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Note, however, shall not affect the validity of the proceedings for the redemption of any Note.

In the event that notice of redemption shall have been given by the Registrar to the registered owners as provided above, there shall be deposited with the Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Notes for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Notes and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Notes and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Notes and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Registrar for the redemption of particular Notes shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Notes.

Section 7. Registrar. The Director of Finance shall designate a bank or trust company to act as the authenticating agent, registrar, transfer agent, and paying agent for the Notes after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose (the "Registrar"). The Director of Finance shall sign and deliver, in the name and on behalf of the City, a registrar agreement or agreements between the City and the Registrar (the "Registrar Agreement") in a form consistent with this Ordinance and as approved by the Director of Law. In the event that a trust agreement secures the Notes, as provided in Section 12, the Registrar Agreement may be incorporated in such trust agreement. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement from the proceeds of the Notes to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

The Notes shall be issued only as fully registered Notes. Principal on the Notes shall be payable when due upon presentation and surrender of the Notes at the designated office of the Registrar designated in the Registrar Agreement. Interest on each Note shall be paid on each interest payment date by check or draft mailed to the person in whose name the Note was registered, and to that person's address appearing on the Note Register (defined below in this Section) at the close of business on the 15th day next preceding that interest payment date. The City will cause the Registrar to maintain and keep all books and records necessary for the registration, exchange, and transfer of Notes as provided in this Section (the "Note Register") so long as any of the Notes remain outstanding. Subject to the provisions of this Section, the person in whose name a Note is registered on the Note Register shall be regarded as the absolute owner of that Note for all purposes of the Note Proceedings. Payment of or on account of the debt charges on any Note shall be made only to or upon the order of that person; neither the City nor the Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Note, including interest, to the extent of the amount or amounts so paid.

Notwithstanding the foregoing, if and so long as the Notes are issued in a book entry system, principal of and interest on the Notes shall be payable in the manner provided in any agreement entered into by the Director of Finance, in the name and on behalf of the City, in connection with the book entry system.

Section 8. Transfer and Exchange of Certain Notes. Notes may be exchanged for Notes of any authorized denomination upon presentation and surrender at the office designated by the Registrar, together

with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Registrar. A Note may be transferred only on the Note Register upon presentation and surrender of the Note at the office designated by the Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Registrar. Upon exchange or transfer, the Registrar shall complete, authenticate, and deliver a new Note or Notes, of any authorized denomination or authorized denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Note surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Registrar shall undertake the exchange or transfer of Notes only after the new Notes are signed by the authorized officers of the City. In all cases of Notes exchanged or transferred, the City shall sign and the Registrar shall authenticate and deliver Notes in accordance with the provisions of the Note Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Notes issued and authenticated upon any exchange or transfer shall be valid special obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Note Proceedings, as the Notes surrendered upon that exchange or transfer. Neither the City nor the Registrar shall be required to make any exchange or transfer of a Note during the period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Notes and ending at the close of business on the day of such mailing or to transfer or exchange any Note selected for redemption in whole or in part.

Section 9. Book Entry. Notwithstanding any other provisions of this Ordinance, if it is determined by the Director of Finance to be in the best interests of and financially advantageous to the City, the Notes may be issued in book entry form in accordance with the provisions of this Section. As used in this Section and this Ordinance:

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single, fully registered Note representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (ii) the book entry interest owners of Notes in book entry form shall have no right to receive Notes in the form of physical securities or certificates; (iii) ownership of book entry interests in book entry form shall be shown by

book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and authenticate and deliver note certificates in registered form to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance also is hereby authorized and directed to the extent necessary or required to enter into any agreements determined necessary in connection with the book entry system for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City and after the approval of the form of any such agreement by the Director of Law.

Section 10. Execution of Notes. Notes shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile, and shall bear the seal of the City or a facsimile thereof; provided that no Note shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Note Proceedings unless and until the certificate of authentication printed on the Note is signed by the Registrar as authenticating agent, and authentication by the Registrar shall be conclusive evidence that the Note so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Note Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Registrar or by any other person acting as an agent of the Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Notes.

Pursuant to Section 83 of the City's Charter, the Director of Law shall prepare the Notes and shall endorse thereon his approval of the form and correctness thereof by his manual or facsimile signature. The Notes shall be issued in the denominations as requested by the Original Purchaser and approved by the Director of Finance, in conformity with this Ordinance. The entire principal amount may be represented by a single note and may be issued as

fully registered securities and in book entry or other uncertificated form if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes may be issued in the authorized denominations of either (a) \$100,000 each or in any denomination that is the sum of (i) \$100,000 and (ii) \$5,000 or any integral multiple thereof, and not exchangeable for other Notes in denominations less than \$100,000, or (b) \$5,000 or any integral multiple thereof, as determined by the Director of Finance in the Certificate of Award to be in the best interests of the City. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this Ordinance.

Section 11. Sale of Notes. The Notes shall be sold at not less than 97% of par plus accrued interest at private sale by the Director of Finance to the Original Purchaser in accordance with law and the provisions of this Ordinance. If, in the reasonable opinion of the Director of Finance, an underwriter is incapable of fully performing its duties or meeting its obligations in its capacity as Original Purchaser with respect to the Notes, the Director of Finance is hereby authorized and directed, in the name of and on behalf of the City, to take whatever action may be necessary to terminate that underwriter's standing as Original Purchaser. The Director of Finance shall sign the Certificate of Award referred to in this Ordinance, evidencing that sale to the Original Purchaser, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The Director of Finance is authorized to sign and deliver, in the name and on behalf of the City, a note purchase agreement between the City and the Original Purchaser, or representative thereof (the "Purchase Agreement"), in a form consistent with this Ordinance and as approved by the Director of Law. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Purchase Agreement from the proceeds of the Notes to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose. The Mayor, the Director of Finance, the Clerk of Council, the Director of Law, and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 12. Security for the Notes. The Notes are special obligations of the City. The interest on the Notes,

unless paid from other sources available to the City, is secured solely by, and is payable solely from proceeds of the Notes or Bonds or the Subordinated Airport Revenue.

The principal of the Notes, unless paid from other sources available to the City, is payable solely from the proceeds of the Bonds. The City covenants and agrees to do all things necessary to effect the issuance and delivery, prior to the maturity of the Notes, of the Bonds or any renewal notes, in that principal amount as may be necessary, together with any other moneys available to the City for the purpose, to pay the debt service on the Notes when due at maturity and to do all things necessary to sell the Bonds in sufficient time to permit their delivery prior to the maturity of the Notes. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose. Notwithstanding the foregoing, the City covenants and agrees to issue Additional Revenue Bonds on a parity with Airport Revenue Bonds (all as defined in the Indenture) to retire the Notes, if and to the extent the City can satisfy the conditions precedent under the Indenture for the issuance of Additional Revenue Bonds. Further, if the Director of Finance determines, based on the written advice of the Financial Advisor, that under conditions of the market at that time, the Bonds cannot be issued with reasonable terms, the City covenants and agrees that it will issue obligations payable from other City sources to retire the Notes at maturity.

The City shall not be obligated to pay principal of and interest on the Notes from any funds or sources other than those described in this Section, and the Notes shall not be a claim upon or lien against any other property of the City. The Notes, as to both principal and interest, are not general obligations of the City, and the full faith and credit of the City is not pledged to their payment. The holders of the Notes shall have no right to have taxes levied by the City for the payment of principal of and interest on the Notes. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions, or obligations of this Ordinance or of the Notes.

The City will observe and perform all its agreements and obligations provided for by the Notes or this Ordinance. All of the obligations under this Ordinance are hereby established as duties specifically enjoined by law and resulting from an office, trust, or station upon the City within the meaning of Section 2731.01 of the Ohio Revised Code.

In the event that the interest on the Notes is to be provided for from Note proceeds, or if in the judgment of the Director of Finance, after consultation with the Financial Advisor, a debt service reserve to secure the Notes is in the best interest of and financially advantageous to the

City, the City shall enter into a trust agreement with the bank or trust company serving as Registrar for the Notes and providing for a debt service fund or debt service reserve fund, as applicable, to be held by that bank or trust company, in its capacity as trustee, and such fund or funds are hereby authorized. The Director of Finance shall sign and deliver, in the name and on behalf of the City, the trust agreement in a form consistent with this Ordinance and approved by the Director of Law. The Mayor, Director of Finance, Director of Port Control and other City officials, as appropriate, are authorized to take such actions as are necessary or appropriate to consummate such additional security for the Notes. Such trust agreement may be supplemental to the Indenture. The City hereby covenants and agrees to appropriate annually from the Subordinated Airport Revenue into any such funds amounts sufficient to maintain the balances required by the trust agreement and to restore any deficiency therein.

Section 13. Note Proceeds. The proceeds from the sale of the Notes are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of the proceeds to be used to pay interest on the Notes or to make a required deposit to a debt service reserve fund shall be paid into the debt service fund and debt service reserve fund, respectively, created pursuant to Section 12. Any money in the debt service fund created for the security of the Outstanding Notes remaining after payment (or provision for payment) of debt service on the Outstanding Notes shall be held for the security of the Notes and used to pay debt service on the Notes.

Section 14. Disclosure. If, in the judgment of the Director of Finance, after consultation with the Financial Advisor and the Original Purchaser, an official statement or other disclosure document is appropriate relating to the initial offering of the Notes, the Director of Finance, on behalf of the City and in that officer's official capacity, is authorized to (i) cooperate with the Original Purchaser in the preparation of, and the making of modifications, completions or changes of or supplements to, such a disclosure document, (ii) determine, and to certify or otherwise represent, when the disclosure document is to be deemed final or is final, (iii) authorize the use and distribution of that disclosure document and any supplements thereto in connection with the initial offering of the Notes, (iv) sign certificates, statements or other documents in connection with the finality, accuracy, and completeness of that disclosure document, and (v) contract for the services for the production and distribution of the disclosure document, including by printed and electronic means.

For the benefit of the holders and beneficial owners from time to time of the Notes, the City agrees, as the only obligated person with respect to the Notes under the Rule, to provide or cause to be provided such financial information and operating data, audited financial statements and notices, in such manner, as may

be required for purposes of paragraph (b)(5)(i) of the Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment, and termination, the Director of Finance is authorized and directed to sign and deliver, in the name and on behalf of the City, and if required under the Rule, a Continuing Disclosure Certificate or Certificates in conformance with the reporting requirements of the Rule. The agreement formed, collectively, by this paragraph and that Certificate, shall be the City's continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the annual appropriation of any funds that may be necessary to perform it.

The Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the Director of Finance shall consult with, as appropriate, the legal counsel and bond or other qualified independent special counsel to the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any legal advice provided by any such counsel in determining whether a filing should be made.

Section 15. Ratings, Insurance, and Other Credit Enhancement. If, in the judgment of the Director of Finance after consultation with the Original Purchaser, the filing of an application for a rating on the Notes by one or more nationally recognized rating agencies or a Credit Support Instrument is in the best interest of, and financially advantageous to, the City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency, company or credit provider such information as may be required for the purpose. The cost of obtaining each rating and Credit Support Instrument, except to the extent paid by the Original Purchaser in accordance with the Purchase Agreement, shall be paid from the proceeds of the Notes.

Section 16. Interest Rate Swaps, Hedges and Caps. For the purpose of achieving the optimal available debt structure for the Notes, the Director of Finance may, based on the written advice of a Financial Advisor, enter into one or more agreements in connection with or subsequent to the issuance of the Notes for an interest rate swap, swaption, rate cap, rate collar or other hedging transaction to lower the effective interest rate on the obligations to the City or to hedge the exposure of the City against fluctuations in prevailing interest rates, provided, however, that: (i) the counterparty to any hedging transaction shall have a rating of at least "A" by either Moody's Investors Service, Inc., or Standard & Poor's Corporation; (ii) payments

by the City to the counterparty to the hedging transaction shall be limited to the same sources which secure payment of the Notes as described in this Ordinance; and (iii) the cost of any hedging arrangement shall have been determined by the Director of Finance, based on the written advice of a Financial Advisor, to be justified by the corresponding benefit to the City and to be commercially reasonable based on then current market conditions.

Section 17. Tax Covenants. In the event that the Notes are issued and sold as obligations bearing interest that is excluded from gross income for federal income tax purposes, the covenants in this Section 17 shall govern. However, if the Notes are issued and sold as obligations bearing interest that is included in gross income for federal income tax purposes, the City shall not be bound by the covenants of this Section with respect to the Notes.

Subject to the foregoing, the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be treated as an item of tax preference under Section 57 of the Code. The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or

expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 18. Captions, Headings, and Section References. The captions and headings in this Ordinance are solely for convenience of reference and in no way define, limit, or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs, or clauses hereof. Reference to a Section means a section of this Ordinance unless otherwise indicated.

Section 19. Interpretation. Any provisions of the Codified Ordinances of the City which are inconsistent with the provisions of this Ordinance shall not apply to the Notes authorized herein. Nothing in this Ordinance is intended to, and no provision hereof shall be applied in any manner as would, impair the obligation of contract of the City with respect to any outstanding bonds, notes, certificates of indebtedness, other obligations, trust indentures, trust agreements, or other agreements or contracts made or entered into by the City.

Section 20. Satisfaction of Conditions. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid, and binding special obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law, and that no limitation of indebtedness or taxation, either statutory or constitutional, is applicable to the issuance of the Notes.

Section 21. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council or committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

Section 22. Emergency. This Ordinance is hereby declared to be an emergency measure providing for the immediate preservation of the public property, health and safety and for the usual and daily operation of a municipal department, by providing for the redemption or retirement of the Outstanding Notes. Provided this Ordinance receives the affirmative vote of two-thirds of all members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Section 659.01 Definitions

(a) "Affiliate" means any entity that controls, is controlled by, or is under common control with another entity, as the term "control" is defined under the Bank Holding Company Act, 12 U.S.C. §§ 1841 — 1849, including any successors in interest or alter egos.

(b) "Annual percentage rate" means the annual percentage rate for the loan calculated according to the provisions of the federal Truth in Lending Act (15 U.S.C. §1601 et. seq.), and the regulations promulgated thereunder by the Federal Reserve Board (as said Act and regulations are amended from time to time).

(c) "Business Entity" means any individual, domestic corporation, foreign corporation, association, syndicate, joint stock company, partnership, joint venture, or unincorporated association, including any parent company, subsidiary, exclusive distributor or company affiliated therewith, engaged in a business or commercial enterprise.

(e) "Points and Fees" means:

(1) All items required to be disclosed under sections 226.4(a) and 226.4(b) of Title 12 of the Code of Federal Regulations, as amended from time to time, except the inter-

est rate or time-price differential;

(2) Subject to the exclusions provided in this section, all charges for items listed under section 226.4(c)(7) of Title 12 of the Code of Federal Regulations, as amended from time to time, but only if the lender receives direct or indirect compensation in connection with the charge or the charge is paid to an affiliate of the lender; otherwise the charges are not included within the meaning of the phrase "points and fees"; and

(3) All compensation paid directly or indirectly to a mortgage broker, including a broker that originates a loan in its own name in a tablefunded transaction, not otherwise included in divisions (1) or (2) of this section.

"Points and fees" shall not include any charges or fees excluded by paragraphs (c) through (e) of Regulation Z of the Truth in Lending Act, section 226.4 of Title 12 of the Code of Federal Regulations; however, notwithstanding the foregoing, any fees for preparing loan-related documents, such as deeds, mortgages, and reconveyance or settlement documents shall be included in the definition of "points and fees".

(f) "Predatory loan" means a loan that is secured by owner-occupied residential real property located within the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit, if:

(1) at any time over the life of the loan for a fixed interest rate loan, or at the time a loan is consummated for a variable interest rate loan, the annual percentage rate of the loan equals or exceeds by more than four and one half (4 1/2) percentage points but less than or equal to eight (8) percentage points in the case of a mortgage that is a first lien when it is made, or equals or exceeds by more than six and one half (6 1/2) percentage points but less than or equal to ten (10) percentage points in the case of a mortgage that is junior when it is made, the yield on Treasury securities having comparable periods of maturity to the loan maturity as of the fifteenth day of the month immediately preceding the month in which the application for the extension of credit is received by the creditor; and

(2) that was made under circumstances that involve any of the following acts or practices or that contains any of the following loan terms:

A. "Loan Flipping". "Flipping" a loan means the refinancing of an existing loan secured by owner-occupied residential real estate in the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit when:

i. More than 50% of the prior debt refinanced bears a lower interest rate than the new loan unless the lender has received notice from a counselor employed by a housing counseling agency approved by the Department of Housing and Urban Development, that the borrower has received counseling describing the loan transaction and its impact on the borrower;

ii. The borrower's payment of pre-paid finance charges and closing

costs reduces the interest rate but it will take more than five (5) years for the borrower to recoup the transactions costs; or

iii. A mortgage is refinanced that originated, or was subsidized or guaranteed by or through a state, tribal or local government, or non-profit organization, which bears either a below-market interest rate, or has nonstandard payment terms beneficial to the borrower, such as payments that vary with income, are limited to a percentage of income, or where no payments are required under specified conditions, and where, as a result of the refinancing, the borrower will lose one or more of the benefits of the mortgage, unless the borrower has received counseling from a certified housing counseling agency regarding such refinancing and the borrower and current holder of the loan consent in writing to the refinancing.

B. "Balloon Payments". A loan that contains a scheduled payment that is more than twice as large as the average of earlier scheduled payments or which contains a provision that gives the lender, in its sole discretion, the right to accelerate the indebtedness in the absence of the default of the borrower. The term "balloon payment" shall not apply to (i) any loan with a maturity of one year or less, if the purpose of the loan is a "bridge" loan connected with the acquisition or construction of a dwelling intended to become the consumer's principal dwelling, or (ii) a home equity line of credit secured by the borrower's primary dwelling.

C. "Negative Amortization". Terms under which the outstanding principal balance will increase at any time over the course of the loan because the regular periodic payments do not cover the full amount of interest due.

D. "Points and Fees". The financing of points and fees in excess of four (4) percentage points of the total loan amount if the loan amount is \$16,000 or greater, or \$800 if the loan amount is less than \$16,000.

E. "Increased Interest Rate". A loan that provides for an interest rate applicable after default that is higher than the interest rate that applies before default.

F. "Advance Payments". A loan which includes terms under which more than two periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

G. "Mandatory Arbitration". A loan which contains a mandatory arbitration clause that limits in any way the right of the borrower to seek relief through a court of law or equity.

H. "Prepayment Penalties". A loan under which a borrower must pay a prepayment penalty for paying all or part of the principal before the date on which the principal is due. Any method of computing a refund of unearned scheduled interest is a prepayment penalty if it is less favorable to the consumer than the actuarial method, as "actuarial method" is defined in division (A) of Section 1349.25 of the Revised Code. The term "prepayment penalties" shall not include prepayment

penalties imposed in accordance with the Home Ownership and Equity Protection Act of 1994, 15 U.S.C.A. 1639 (c)(2), as amended, and the regulations adopted thereunder by the federal reserve board, as amended.

I. "Financing of Credit Insurance". The financing of single premium credit life, credit disability, credit unemployment, or any other life or health insurance, directly or indirectly, into one or more loans.

J. "Lending Without Home Loan Counseling". Except in conformity with the provisions of division (b)(1)(B) of Section 659.02, failing to receive notice from a counselor employed by a housing counseling agency approved by the Department of Housing and Urban Development that the borrower has received counseling describing the loan transaction and its impact on the borrower based upon the information provided by borrower and lender to the counselor at the time counseling is provided to the borrower.

K. "Lending Without Due Regard to Repayment". Except in conformity with the provisions of division (b)(1)(B) of Section 659.02, making, issuing or originating a loan without reasonable belief at the time the loan is consummated that the borrower or borrowers (when considered collectively in the case of multiple borrowers) will be able to make the scheduled payments to repay the obligation based upon a consideration of their current and expected income, current obligations, employment status, and other financial resources (other than the borrower's equity in the dwelling which secures repayment of the loan). A borrower shall be presumed to be able to make the scheduled payments to repay the obligation if, at the time the loan is consummated, or at the time of the first rate adjustment in the case of a lower introductory interest rate (i) the borrower's scheduled monthly payments on the loan (including principal, interest, taxes, insurance and assessments), combined with the scheduled payments for all other debt, do not exceed 50% of the borrower's documented and verified monthly gross income, and (ii) provided that the borrower has sufficient "residual income" as defined in the guidelines established in 38 C.F.R. §36.4337(e) and VA form 26-6393 to pay essential monthly expenses after paying the scheduled payments and any additional debt.

L. The payment by a lender to a contractor on a home improvement contract from the proceeds of a loan, other than:

i. by an instrument payable to the borrower or borrowers;

ii. by an instrument payable jointly to the borrower and the contractor, provided however that no more than 30% of the total proceeds of the loan shall be disbursed to the contractor at the time of closing; or

iii. at the election of the borrower, by a third party escrow agent in accordance with terms established in a written agreement signed by the borrower, the lender and the contractor before the date of payment. However, "predatory loan" shall not include a loan that is made primarily for a business purpose unrelated to the residential real property securing the loan.

For purposes of division (f)(1) of this Section, if the terms of the home loan include an initial or introductory period, and the annual percentage rate is less than that which will apply after the end of such initial or introductory period, then the annual percentage rate that shall be taken into account for purposes of this Section shall be the first annual percentage rate adjustment that is calculated and disclosed in conformance with the provisions of division (b) of Section 659.01 for the period after the initial or introductory period.

(g) "Home Improvement Contractor" means any person who engages in the business of making home improvements, and who undertakes or offers to undertake or agrees to perform any home improvement, whether or not such person is registered, or subject to the licensing and registration requirements of Chapter 3107 of the Codified Ordinances of the City of Cleveland, and whether or not such person is a general contractor.

Section 659.02 Predatory Lending Practices Prohibited

(a) Prohibited Conduct.

Subject to the limitations of division (b) of this section:

(1) Issuing Predatory Loans. No person or business entity shall make, issue, or arrange a predatory loan, or assist others in doing so. A person who, when acting in good faith, fails to comply with this division will not be deemed to have violated this division if the person establishes that the compliance failure was not intentional and resulted from a bona fide error notwithstanding the maintenance of procedures reasonably adapted to avoid such errors, and within 60 days after the discovery of the compliance failure and prior to the institution of any action under this Chapter or the receipt of written notice of compliance failure, the borrower is notified of the compliance failure, appropriate restitution is made, and whatever adjustments are necessary are made to the loan to either, at the choice of the borrower, (i) make the predatory loan satisfy the requirements of this Chapter, or (ii) change the terms of the loan in a manner beneficial to the borrower so that the loan will no longer be considered a predatory loan subject to the provisions of this Chapter. Examples of a bona fide error include clerical, calculation, computer malfunction and programming, and printing errors. An error of legal judgment with respect to a person's obligations under this Chapter is not a bona fide error.

(2) Lending Without Home Loan Counseling. No person or business entity shall make, issue or arrange, or assist others in making, issuing or arranging, any loan that is secured by owner-occupied residential real property located within the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit in which either:

A. the annual percentage rate at consummation will exceed by more than eight (8) percentage points for first lien loans, or by more than ten (10) percentage points for subordinate-lien loans, the yield on Treas-

sury securities having comparable periods of maturity to the loan maturity as of the fifteenth day of the month immediately preceding the month in which the application for the extension of credit is received by the creditor; or

B. the total points and fees payable by the consumer at or before loan closing will exceed the greater of eight (8) percent of the total loan amount, or \$400; the \$400 figure shall be adjusted annually on January 1 by the annual percentage rate change in the consumer price index that was reported on the preceding June 1, unless that person or business entity first receives notice from a counselor employed by a housing counseling agency approved by the Department of Housing and Urban Development that the borrower has received counseling describing the loan transaction and its impact on the borrower based upon the information provided by borrower and lender to the counselor at the time counseling is provided to the borrower.

(3) Payments to Home Improvement Contractors. A home improvement contractor may not receive directly and solely from the lender, the proceeds of a loan that is secured by owner-occupied residential real property located within the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit in which, at any time over the life of the loan for a fixed interest rate loan, or at the time a loan is consummated for a variable interest rate loan, the annual percentage rate of the loan equals or exceeds by more than four and one half (4 1/2) percentage points in the case of a mortgage that is a first lien when it is made, or equals or exceeds by more than six and one half (6 1/2) percentage points in the case of a mortgage that is junior when it is made, the yield on Treasury securities having comparable periods of maturity to the loan maturity as of the fifteenth day of the month immediately preceding the month in which the application for the extension of credit is received by the creditor.

(4) Incorporating Governmental Financial Assistance Funds. All persons shall be barred from promoting, utilizing, packaging, or in any other way incorporating funds from any of the programs administered by the City in combination with any predatory loan. Any contract, lease, grant or other agreement entered into by the City with any person or business entity shall contain a provision requiring that the person or business entity, in the administration of governmental housing assistance funds, abide by the provisions of this division as though its administration of such funds was directly subject to the provisions of this division.

(b) Activities of Certain Financial Institutions Exempted.

(1) Division (a) of this section is not applicable in the following circumstances:

A. With respect to a lender duly licensed as may be required under State law, solely because of the presence of a loan provision described in divisions (f)(2)(B), (C) or (H) of Section 659.01, provided that such provision(s) are made in

conformity with the requirements of federal law pursuant to the Alternative Mortgage Transaction Parity Act, 12 U.S.C. §3803 and provided that any such loan is not otherwise predatory as defined in division (f) of Section 659.01; or

B. In the case of a loan made pursuant to the Ohio's Mortgage Loan Act, R.C. §1321.51 et. seq., solely because the loan contains any provision authorized by such act, provided that any such loan is not otherwise predatory as defined in division (f) of Section 659.01.

(2) Divisions (a)(1) and (a)(2) of this section are not applicable with respect to a State chartered bank, bank and trust company, savings bank, private bank, national bank, or a State or federally chartered savings and loan association, a federally chartered savings bank, a State or federally chartered credit union.

(3) This section shall apply to affiliates of the entities enumerated in division (b)(2) of this section, except insofar as such affiliates are themselves one of those financial institutions.

Section 659.03 Notice to Customers of Home Improvement Loans

(a) No person or business entity that knowingly funds a home improvement loan under the circumstances described in this section shall fail to furnish the notice described in this section. At least three (3) business days prior to closing, every lender who knowingly funds a home improvement loan shall furnish a notice along with any home improvement loan for any work to be performed on owner-occupied residential real estate located within the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit and which loan is secured by that real estate, shall furnish a notice to the borrower. That notice shall be furnished as a separate document, printed in 16 point font, with the signature line at the top of the page, and shall be in substantially the same form as the following, as may

be amended from time to time by the Department of Consumer Affairs:

IMPORTANT NOTICE TO CUSTOMERS OF HOME IMPROVEMENT CONTRACTORS

I received this notice on this date: _____(date)
 _____ signature of home owner(s)

If you need a loan to pay for home improvements:

BE CAREFUL. A lender will probably want to take a mortgage on your house.

You should not borrow more than you can afford or more than you need. The loan you are being offered may be a predatory loan. You may be eligible for a different loan which charges significantly less interest or fees. Be very cautious about consolidating your debt with a home mortgage. Beware that if you default on this loan you could lose your house! In certain cases, it is now the law in Cleveland that before you sign a home loan you must receive housing counseling assistance.

For the name, address and phone number of a housing counseling or legal services agency in your neighborhood, turn this notice over to see the list of agencies printed on the reverse side.

(b) For purposes of division (a) of this section, a "home improvement loan" shall not include a loan commonly known as a "home equity line of credit".

Section 659.04 Certification of Compliance to be Recorded

No lender or, if applicable, mortgage broker, shall fail to submit the certification of compliance to the Cuyahoga County Recorder's Office as described in this section. At the time of recording a mortgage on owner-occupied residential real property located in the City of Cleveland on which there is situated a dwelling for not more than four families, a condominium unit, or a cooperative unit, and which mortgage secures a loan where the annual percentage rate of the loan equals or exceeds by more than four and one half (4 1/2) percentage points in the case of a mortgage that is a first lien when it is made, or equals or exceeds by more than six and one half (6 1/2) percentage points in the case of a mortgage that is junior when it is made, the yield on Treasury securities having comparable periods of maturity to the loan maturity as of the fifteenth day of the month immediately preceding the month in which the application of the extension of credit is received by the creditor, the lender and, if applicable the mortgage broker, shall submit a certification of compliance to the Cuyahoga County Recorder's Office for recording along with the mortgage instrument and deed. It is not necessary to record a certificate of compliance for a loan that is made primarily for a business purpose unrelated to the residential real property securing the loan. The certification of compliance shall be substantially in the following form and shall comply with any formatting requirements promulgated from time to time by the Cuyahoga County Recorder's Office.
