## Lead Safe in Ward 15

Lead paint poisoning is a problem and a challenge across Cleveland's neighborhoods. The majority of homes in the city of Cleveland were built prior to 1978, when lead paint was still used. Because of this, there is a potential elevated risk of lead hazards in most Cleveland homes – especially for young children.

Lead dust can be found on surfaces that rub against each other and are subject to wear and tear

like windows, doors, floors, and porches. Lead dust is microscopic and it only takes a small amount to poison.

In October 2024, the City of Cleveland's Health Director, Dr. David Margolius, provided a report to Cleveland City Council showing the Cleveland neighborhoods where Elevated Blood Lead Levels (EBLLs) are highest. While

all neighborhoods are affected, the Cudell and Stockyards neighborhoods have some of the highest rates of lead poisoning.

When Council Member Spencer learned this, she realized that the Council Office needed to do more to educate and protect our citizens.

**In the month of March, there will be three community education sessions about lead, in partnership with the City of Cleveland and the Lead Safe Resource Center:**

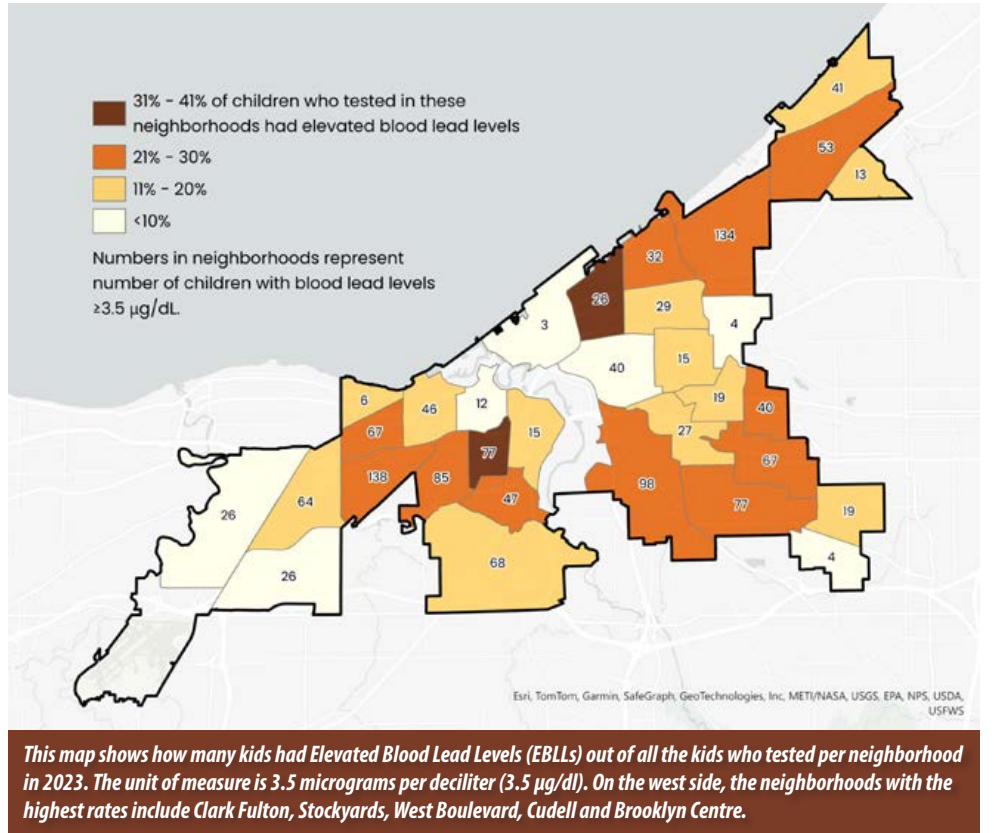

- ▶ **Lead Safe Community Conversation** with Council Member Spencer, Dr. David Margolius and other community leaders, providing information about lead in your community. The entire family is welcome

CONTINUED ON PAGE 2

**DID YOU KNOW?**

The primary source of lead poisoning in Cleveland is dust from lead paint.

Lead exposure occurs when a child comes in contact with lead by touching, ingesting or breathing in lead dust.

### INFORMATION FOR LANDLORDS & TENANTS

**For Landlords:** Per Mayor Justin M. Bibb's October 2024 Executive Order, the City of Cleveland will move towards requiring a Lead Safe Risk Assessment in order to obtain Lead Safe Certification. The current standard is a Clearance Exam. For more information, contact the Lead Safe Resource Center at 833-601-5323.

**For Tenants:** To confirm whether your rental unit is both (1) on the City's Rental Registry and (2) has a Lead Safe Certification, go to: [cleveland.housing.health](http://cleveland.housing.health)

### A Message from Councilmember Jenny Spencer

Dear Ward 15 Residents,

As many of you know, I have decided not to seek reelection to Cleveland City Council. However, I will remain in office until the end of my term through December 2025, and I look forward to continuing to serve our community over the next twelve months.

**My staff and I have a busy to-do list through December, including:**

- Continuing to address vacant and abandoned structures
- Responsive and efficient constituent services
- Prioritizing tree planting, including my work on the City's Urban Forestry Commission
- Raising public awareness about the threat of lead poisoning (see cover story)
- Greenspace planning at Cudell Commons Park
- And much more.

We would be honored if you took a moment to complete this survey ([bit.ly/Ward15ConstituentSurvey](http://bit.ly/Ward15ConstituentSurvey)) to provide feedback about our work

and to share your priorities for your neighborhood. We'll pass the survey results on to incoming Council member(s). Of note: Ward boundaries will change significantly in 2026, which will be reflected in the November 2025 municipal election. Mark your calendars now for Election Day on Tuesday, November 4, 2025 in which you'll vote for Mayor, City Council, and other candidates and issues.

It has been an honor to serve Ward 15 and our amazing residents. Thank you for your support. I look forward to working together over the coming year.

Best regards,

JMA Spencer

### Un mensaje de la Concejala Jenny Spencer

Queridos residentes,

Como algunos de ustedes saben, he decidido no presentarme a la reelección para Cleveland City Council. Sin embargo, permaneceré en el cargo hasta el final del mandato en diciembre de 2025 y espero seguir sirviendo a nuestra comunidad durante los próximos doce meses.

**Mi oficina tiene una apretada lista de tareas pendientes hasta diciembre, que incluye:**

- Seguir trabajando en las estructuras vacías y abandonadas
- Servicios al público eficientes y receptivos
- Priorizar la plantación de árboles, incluido mi trabajo en la Comisión de Silvicultura Urbana de la Ciudad
- Concientizar al público sobre la amenaza del envenenamiento por plomo
- Planificación del espacio verde en Cudell Commons Park
- Y mucho más.

Sería un honor para nosotros que se tomara un momento para completar esta encuesta ([bit.ly/Ward15Encuesta](http://bit.ly/Ward15Encuesta)) y brindar comentarios sobre nuestro

trabajo y compartir sus prioridades para su vecindario. Le pasaremos los resultados de la encuesta a los miembros entrantes del Consejo. Nota: los "Ward boundaries" (límites de los distritos) cambiarán significativamente en 2026, lo que se reflejará en las elecciones municipales de noviembre de 2025. Marque su calendario ahora para el día de las elecciones, el martes 4 de noviembre de 2025, en el que votará por la alcaldía, el concejo municipal y muchas otras contiendas importantes.

Ha sido un honor servir en el Distrito 15 y espero trabajar juntos durante el próximo año.

Con mejores deseos,

JMA Spencer

to attend; a meal will be provided.

**Tuesday, March 4th, 2025**  
5:30 pm - 7:00 pm  
Marion C. Seltzer School  
1468 W. 98th St.

► **Lead 101 Training** is a lead safety class for anyone in the community, with the "who, what, when, where, and why" for all things lead poisoning and prevention.

**Saturday, March 15th, 2025**  
1:00 pm - 3:00 pm  
Cudell Recreation & Resource Center, 1910 West Blvd.

► **Lead Safe Property Owner Training** helps property owners navigate the City of Cleveland's Lead Safe Certification process and reviews available resources.

**Saturday, March 22nd, 2025**  
1:00 pm - 3:00 pm  
Cudell Recreation & Resource Center, 1910 West Blvd.

Here are some tips to reduce lead hazards risks in your home and family:

- Wash hands often, especially

before eating. Wash toys, including bottles, pacifiers, and other things children may put in their mouths.

- Regularly clean floors, windowsills, or any other horizontal surface with wet cloths or mops. Utilize two buckets—one for soap, one for rinsing—to prevent recontamination.
- Remove shoes before entering the home.
- Eat a healthy diet with foods containing iron, calcium, and vitamin D. Some examples are leafy greens, eggs, beans, and dairy products.

The Lead Safe Resource Center (LSRC) is a year-round resource and one-stop shop for lead poisoning prevention education. The LSRC is there to be a resource for everyone – families, property owners, contractors, concerned citizens, and more. Call them at 833-601-5323 (LEAD).

# Prevenir la Intoxicación Por Plomo

Si Ud. vive en una casa construida antes de 1978, existe un riesgo potencial elevado de peligros por plomo. El polvo de plomo puede encontrarse en superficies que se frotan entre sí y están sujetas al desgaste, como ventanas, puertas, pisos y porches. El polvo de plomo es microscópico y basta una pequeña cantidad para envenenar.

A continuación, algunos consejos para reducir los riesgos de peligros por plomo en tu hogar y tu familia:

- Lava las manos con frecuencia, especialmente antes de comer. Lava los juguetes, incluyendo biberones, chupetes y otros objetos que los niños puedan llevarse a la boca.
- Limpia regularmente los pisos, alféizares de las ventanas u otras superficies horizontales con trapos húmedos o trapeadores. Utiliza dos cubos, uno para jabón y otro para enjuagar, para evitar la recontaminación.
- Quítase los zapatos antes de entrar a la casa.
- Come una dieta saludable con alimentos que contengan hierro, calcio y vitamina D. Algunos ejemplos son verduras de hojas verdes, huevos, frijoles y productos lácteos.

El Centro de Recursos para la Seguridad con Plomo es el lugar único para la educación sobre la prevención de la intoxicación por plomo. El Centro es un recurso para todos: familias, propietarios, contratistas y más. En colaboración con la Concejala Jenny Spencer, El Centro de Recursos para la Seguridad con Plomo llevará a cabo una serie de eventos sobre seguridad con plomo este marzo.

Tendremos una conversación comunitaria sobre cómo evitar el plomo con el Dr. David Margolius, Director de Salud para la Ciudad de Cleveland, y otros líderes comunitarios, que brindarán información sobre el plomo en su comunidad. Toda la familia está invitada a asistir; se ofrecerá una comida. **Únete a nosotros el martes, 4 de marzo a las 5:30 PM en Marion C. Seltzer School (1468 W. 98 St.).**

También realizaremos clases sobre seguridad con plomo. Nuestra capacitación "Plomo 101" presenta el quién, qué, cuándo, dónde y por qué de todo lo relacionado con la intoxicación por plomo y la prevención. **Únete a nosotros el sábado, 15 de marzo a las 1:00 PM en Cudell Recreation Center (1910 West Blvd.).**

Nuestra capacitación para propietarios de propiedades "Plomo Seguro" ayuda a los propietarios a navegar por el proceso de Certificación de Plomo Seguro y revisa los recursos disponibles. **Únete a nosotros el sábado, 22 de marzo a las 1:00 PM en Cudell Recreation Center (1910 West Blvd.).**

¡El Centro de Recursos para la Seguridad con Plomo está disponible para ayudarle! Lláma al 833-601-5323 (PLOMO) o ir al [www.lead-safe-cle.org/lead-safe-resource-center](http://www.lead-safe-cle.org/lead-safe-resource-center) y haga clic en Español.

## LEAD SAFETY TAKEAWAYS

### CLEVELAND LEAD ORDINANCE

- **Any home built before 1978 is reasonably presumed to contain lead-based paint.** Residential rental units built before 1978 must have a Lead Safe Certification from the City of Cleveland's Department of Building and Housing.
- **For more information on the Cleveland Lead Ordinance** refer to the City Division of Records Administration or contact the Lead Safe Resource Center.  
[www.clevelandohio.gov/city-hall/departments/building-housing/divisions/records-administration/lead-safe-certification](http://www.clevelandohio.gov/city-hall/departments/building-housing/divisions/records-administration/lead-safe-certification)
- **Ask your landlord:** Are you aware of the lead ordinance that all rental properties must be registered as lead-safe if the property was built before 1978?
- To find out if your home is registered with building and housing or if your landlord has a lead safe certification check your address on:  
[cleveland.housing.health](http://cleveland.housing.health)

### KNOW YOUR TENANTS RIGHTS

- Notice to Correct- you must provide the rental property owner with a 30-day notice to correct conditions/repairs.
- With your rent payment, give your rental property owner a written note stating what repairs need to be done and keep a copy for yourself.
- If after 30 days repairs are not made, you can take your rent payment downtown at the Clerk of Courts in the Justice Center and **continue paying rent on time.**
- Your landlord **MAY NOT** increase your rent, stop services, or kick you out because of the following:
  - 1 Complaining to rental property owner or a public official
  - 2 Organizing a tenant's group
  - 3 Depositing your rent with the clerk of courts
  - 4 If you run into issues, reach out to:
    - Legal Aid Society of Cleveland Hotline 216-432-0609  
[www.lasclev.org](http://www.lasclev.org)
    - Cleveland Housing Court 216-664-4295  
[www.clevelandhousingcourt.org](http://www.clevelandhousingcourt.org)

### LEAD TESTING

- Children 6 years old and younger should be tested regularly in the summer and winter
- Children with Medicaid should be tested at 1 and 2 years old
- A blood test is the only way to know if a child has been lead poisoned
- A blood test will either be a venous draw or two finger pricks to determine if an Elevated Blood Lead Levels (EBLL) Exists

**LEAD SAFE**  
CLEVELAND COALITION

Get your child tested for lead.

**COMING SOON:**  
**Cudell Commons Greenspace Planning**

Cleveland Metropolitan School District has completed its planning process for the redesign of **Marion C. Seltzer School**. The existing building will be open through the end of the school year; then, demolition will begin, followed by construction of the new school. During construction, students will attend school at the former H. Barbara Booker building (W. 65th & Lorain Ave.). For more information, visit [www.devlandmetroschools.org/Page/19535](http://www.devlandmetroschools.org/Page/19535).

Next up is the City of Cleveland's planning process for improvements to the remainder of the Cudell Commons greenspace. The Ward 15 Council Office and Mayor's Office of Capital Projects will collaborate on the process, with community meeting dates coming soon.

## New Ward Maps

On January 6, 2025, Cleveland City Council voted to approve new ward boundaries. The number of Cleveland wards will be reduced from 17 to 15.

Council Member Spencer was not in favor of the maps, as the current Ward 15 will be divided across three new wards. **For more information, read her statement at [bit.ly/WardRedistrictingSpencer](http://bit.ly/WardRedistrictingSpencer).**

More details about the **ward maps** can be found at [clevelandcitycouncil.org/redistricting](http://clevelandcitycouncil.org/redistricting). Residents will vote on the Council seats with the new ward boundaries in the November 2025 municipal election.

## CivicRec Enrollment at Recreation and Resource Centers

## New Property Tax Relief Program for Seniors; Weekly Home Repair Clinics

Cuyahoga County has launched a new Taxpayer Assistance Program that will pay up to \$10,000 in delinquent property taxes for seniors, to help them avoid foreclosure. To qualify, residents must:

- Be 70 or older and with a household income of less than \$70,000 a year.
- Be actively delinquent on their property taxes.
- Be in their homes for at least three years and commit to remaining in their home for three years after.

To apply, go to <https://chnhousingpartners.org/taxpayer-assistance/> or call the Cuyahoga County Treasurer's Office at 216-443-7400 and choose Option 1.

Each Monday from 9:30am-2:30pm, Northwest Neighborhoods Community Development Corporation (NWN) holds a home repair clinic, at their offices at 6516 Detroit Avenue, Suite 1. When you come to the clinic, staff will work with you to match your home repair concerns to repair programs and submit your application at no cost to you. Programs include NWN's Senior Home Repair Assistance Program with grants up to \$500, and the City of Cleveland's Age Friendly Home Investment Program (AFHIP) for larger-scale repairs.

For more information, contact Kena Chappell at 216-961-4242 x 223 or [kchappell@nwneighborhoods.org](mailto:kchappell@nwneighborhoods.org), or visit [nwneighborhoods.org/repair](http://nwneighborhoods.org/repair).

### Asistencia Para Reparaciones en El Hogar

Cada lunes de 9:30 a.m. a 2:30 p.m., Northwest Neighborhoods Community Development Corporation (NWN) organiza una clínica de reparación de viviendas en sus oficinas en 6516 Detroit Avenue,

Suite 1. Cuando venga a la clínica, el personal trabajará con usted para encontrar los programas de reparación que mejor se adapten a sus necesidades y presentar su solicitud sin costo alguno para usted. Los programas incluyen el Programa de asistencia para reparaciones de viviendas para personas mayores ("Senior Home Repair") con subvenciones de hasta

\$500 y el Programa de inversión en viviendas aptas para personas mayores ("AFHIP") de la ciudad de Cleveland para reparaciones más costosas.

Para obtener más información, comuníquese con Kena Chappell al 216-961-4242 x 223 o [kchappell@nwneighborhoods.org](mailto:kchappell@nwneighborhoods.org), o visite [nwneighborhoods.org/repair](http://nwneighborhoods.org/repair).
